

North Tahoe Will Ballot On Bonds On October 20th

**\$750,000 Needed To Put
Addition To Utility
Facilities**

KINGS BEACH — A \$750,000 bond issue to rebuild and expand the North Tahoe Public Utility District is scheduled here for October 20.

Officials of the district say only such part of this issue will be sold as will be necessary to purchase and expand the capacity of the existing system owned by the Brockway Water Company or to build a new parallel system. Retirement of the bonds will be repaid out of water revenues.

Consulting engineer of the proposed project, L. Cedric Macabee of Palo Alto, Santa Clara County, said the existing water system is old and entirely inadequate to serve the community properly and to provide the fire protection needed.

The district serves an approximate area from Tahoe City, Placer County, to the Nevada State Line.

Council Will Study Lake Fish Decline

LAKE TAHOE — Investigations into the decline of Lake Tahoe as a sport fishing paradise, and proposals for rebuilding the fish population of the lake, will be among the subjects reviewed by the Lake Tahoe Area Council during its membership meeting Oct. 16.

The council will meet at the Nevada Lodge, Crystal Bay, for cocktails and dinner, with the business meeting to follow.

The session will also see the election of a new board of directors and new officers to serve during 1960.

Investigations into the fish planting and propagation problems of the lake have been under way by the fish and game committee of the council for a number of weeks, according to Ivan Sack, Toiyabe National Forest Supervisor and chairman of the council's plans and operations committee. The sub-committee, working closely with the fish and game commission of both Nevada and California, is expected to report its progress to date to the council membership.

The Lake Tahoe Area Council, a privately supported, non-profit organization, is a relatively new but powerful group dedicated to the protection and enhancement of the beauties and recreational resources of the lake. It is planning a program embracing all five counties in the two-state area around the lake.

WORK WILL CONTINUE ON LAKE FIREHOUSE

Many volunteers turned out to help build the Donner Lake firehouse last Sunday. The men started working at 7 a. m. and worked until it was too dark to pound any more nails. The framework is up, the roof and part of the siding for the roof. Another get-together is planned for this coming Sunday to finish the roof and to put the redwood siding on the sides so the firemen can put the truck inside out of the cold.

The ladies auxiliary was on hand to furnish the workers with hot coffee during the day. At noon, a table was set up and the ladies served barbecued chicken that they cooked right there where all of the activities were taking place. All kinds of salads, hot beans and hot biscuits were enjoyed by all. The ladies are planning another hot lunch for the workers this coming Sunday so if you are going out to help the firemen, don't worry about lunch.

The time is next Sunday, October 18 at 10 a. m. All volunteers are welcome and the firemen need help.

MRS. PEDLEY ATTENDS BROWN SAFETY MEET

Mrs. Fred Pedley and Miss Linda Morrill returned after attending Governor Brown's Traffic Safety Council at Sacramento.

Mrs. Pedley represented the Federated Women's Club of California and acted as adviser to Miss Morrill who was the representative from the Tahoe Truckee High School. The latter will make a report on the young people's division to the school safety council.

Mrs. Pedley will go to Long Beach the latter part of October where she will report at a state meeting and earlier to the Sutter district group on the important conference.

Former Families Move—

The addresses of two former local families have changed within the week. Mr. and Mrs. William Carver have gone from Sacramento to Bakersfield and the Robert Briggs from Grossmont to El Cajon.

Daughter Born—

Mr. and Mrs. William Barrett of Truckee welcomed a daughter, October 9 at Reno, Nevada.

Employment Office Is Slated To Open Here Next Month

The district employment office, operated on a weekly basis in this area each winter, to process unemployment applications, this winter will be located at the old Truckee elementary school on Church Street.

Ralph Pyle, in charge of the district office at Auburn, said arrangements have been made with the school and the Truckee Donner Chamber of Commerce to utilize one room of the building once a week.

A definite date for starting local operation has not been announced but Pyle said he expected it would commence about November 15. Applicants will be notified when the local office is opened.

In past years the employment personnel has used Capitol Hall but made different arrangements for the coming months.

Buck Kill Is Ahead Of Total For 1958

During the first two weeks of the present deer hunting season, more bucks were taken in Nevada, Placer and Sierra counties than during the 1958 season, according to figures released by the department of fish and game.

The figures show that 727 deer were validated during the first two weeks in Nevada County, while 771 were taken in Sierra County and 420 in Placer.

This compares with the 1958 totals of 597 in Nevada, 484 in Sierra and 358 in Placer County.

The average from 1954 to 1948 showed Nevada with 589, Sierra with 512 and Placer, 338.

Not only were there more bucks killed this year but they were reported in much better condition due to the light winter and small loss during the off-season.

WALKER WARNS ON ABANDONED TANKS

Richard Walker, area sanitarian, this week warned property owners in the Gateway Park area to have their septic tanks filled in and avoid possible accidents.

Walker pointed out that the home owners in the area have been hooked up to the sewer system for about a year, but that few have filled in the old septic tanks or cess pools and have thus created a hazard. Without water, the planing has a tendency to deteriorate and someone may fall through the top, Walker declared.

Only recently, he cited the story of a small boy who fell into an abandoned septic tank in Oregon and was drowned.

"A small amount of dirt, easily available and a short period of work will solve the problem," the sanitarian declared. "I would urge everyone to take care of this matter before snow falls."

PROGRAM PLANNED BY TAHOE PARENTS

TAHOE CITY—The Tahoe Lake School P.T.A. will hold a general meeting on Wednesday, October 21 at 7:30 in the multipurpose room of the school.

Three students in Mrs. Lillian Farr's 5th grade class will present a reading from Robert Service. They are Richard Pomin, Kathy Coster and Lynn Harper. The main business of the meeting will be the planning of the Halloween party for the school.

On October 12 the Executive Board of the Tahoe Lake School held a meeting at the home of Mr. and Mrs. Phillip Howard in the Highlands to plan the October meeting of the P.T.A. At the close of the business meeting a combined welcoming and wedding shower was given for Jim Reynolds, the principal, and his bride the former Barbara Elizabeth Huber of Lausanne, Switzerland and Hamburg, Germany.

TWO ARE HONORED AT MEET OF LIONS

Dr. L. D. Nelson and Jay Richards were presented with their 10-year membership pins at a meeting of the Truckee Lions Club at Donner Lake Lodge last night. A number of local projects were discussed and referred to the board of directors.

Harry (Slim) Thompson presided at the meeting and guests included Judge Vernon Stoll and Robert Ingram of Grass Valley and Douglas Ruffner of Sacramento.

Cushing's Bid For Squaw Facilities Offered To State

**Resort Owner Meets With
Governor To Discuss
Program**

Alex Cushing, owner of the Squaw Valley Lodge, had a meeting with Governor Edmund G. Brown this week which he said cleared away "some of the misunderstandings" concerning the 1960 Olympic Winter Games site.

Cushing, who also met with park officials, announced he will make a firm offer to the state within a few weeks to take over the operation of the state owned facilities in the valley after the games are over in February.

Charles DeTurk, chief of the division of beaches and parks, said the way is clear for the state to consider an offer from Cushing.

DeTurk also reported the ABC Vending Corporation, the company which has the concession from the Olympic Commission to serve food during the games, has been negotiating with the park division and is considering making an offer to lease the state facilities.

The Pacific Music Camp of Stockton, San Joaquin County, withdrew from any consideration. They previously had expressed an interest in operating a music festival at Squaw Valley.

The state owned facilities which the park division wishes to lease include spectator lounges, the ice area, and the housing and feeding facilities in the Olympic Village.

PRAYER WEEK WILL BE OBSERVED HERE

The regular meeting of the Women's Society or Christian Service of the Church of the Mountains met at the home of Mrs. C. W. Sciutto.

Mrs. C. Z. Smith, chairman of the recent rummage sale, thanked all those who contributed to the success of that event.

It was voted to observe the Week of Prayer and Self-Denial, October 25-31. Mrs. M. C. King is in charge of arrangements.

The United Nations was the theme of both the devotionals and the program led by Mrs. Roy Slate and Mrs. Ivan Wilson. A display of paper flags of the 82 member nations carried out the theme. Plans were made for a group study of the text, "Contemporary Man and the United Nations" by Margaret Bender and Dorothy McConnell.

Miss Ella Waters and Mrs. Calvin Farley assisted the hostess in serving refreshments.

SCOUT PARENTS ARE INVITED TO SESSION

Parents of Girl Scouts, whether brownies, intermediates or senior grades scouts, are invited to attend the Truckee neighborhood council open meeting to be held October 20 at 7:30 p. m. in the high school cafeteria, Mrs. W. D. Randall, chairman announced.

Plans, progress and problems of girl scouting in this area will be discussed with Mrs. Faye Horsley of Reno, president of the Sierra Nevada Girl Scout Council board of directors. Members of her training staff will also be introduced. Refreshments will be served.

SISTER ROSEMARY IS NEW CLASS TEACHER

Sister Rosemary, superior of the Holy Family Sisters of Reno, assisted by Sister Carmel, have taken over the teaching of religion classes at the Assumption Church on Fridays of each week. They are specialists in this field. Parents are urged to take advantage of this opportunity. They will be assisted by Mrs. Henry Toccalini and Mrs. Charles Spillner.

New Roadmaster—

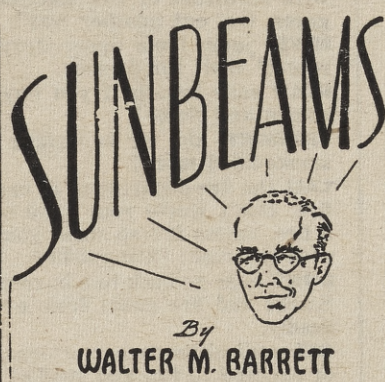

Vincent Mahon with Mrs. Mahon and their two sons, has come here from Lovelock, Nevada where he is filling the position of roadmaster for the Southern Pacific Company.

From City—

Miss Sharon Pace was a weekend visitor at the Gateway Park home of her parents, Mr. and Mrs. Tony Pace.

Birth Dates—

Jim Walker celebrated his birth date on Columbus Day and Robert Leamon observed his natal date October 11.

By
WALTER M. BARRETT

The new fences along the freeway rights of way no doubt serve a valuable purpose, but from the standpoint of the deer they are creating an additional hazard. Packs of vicious dogs, which annually mutilate and destroy scores of deer, are finding their victims much easier prey as they corner them against the high fences beside the roads. Only this week, a home owner at Gateway Park saw three large dogs attack a young doe which had been stopped by the fence. Before he could prevent it, the dogs had mutilated the frightened animal and left her to die. Unless something is done to prevent this wanton slaughter, these same dogs may attack a child or even an adult. A small golden Cocker, a family pet for four children, was ripped to pieces by larger dogs west of town this week. There is a law to protect these beasts from being put out of the way, but surely there must be some way to bring an end to this loss of deer and provide protection for persons. If there isn't, we suggest that a way be found, and quick. Dogs certainly have a place in our way of living, but owners who permit their dogs to run wild should be made more responsible for their actions.

There are two surviving sons, Hilton of Sparks and Harry of Truckee. A brother, Charles, 94, lives at Reno. There are also five grandchildren and two great grandchildren.

Minister Arrives For Local Church

Rev. George Symons has arrived here to replace Rev. Roy Q. Whiting as pastor of the Methodist Church of the Mountains and preached his first sermon Sunday.

Rev. Symons is a young man and a graduate of Chico State College. He has held pastorates in Cone, near Red Bluff, and in New York and came here from Evergreen, Colorado.

The new minister attended Iliff School of Theology at Denver and comes here highly recommended for the post. He is married and has one son, Chris, 11 months of age.

Rev. Whiting, who is retired, has returned to his home after filling the local pulpit for the past few months. Rev. Symons said he expects to remain in Truckee indefinitely.

NIECE OF TRUCKEE MAN WEDS IN RENO

The Federation Church at Reno, Nevada was the setting October 10 for the wedding of Miss Lorraine Johnson and Don Doty, both of Burlingame.

The bride is a niece of Reg Smart and made a number of friends during her residence here two years ago.

During the ceremony Karen Smart was the maid of honor, Mr. and Mrs. Reg Smart and son Reg of Truckee, Mr. and Mrs. Ed Smart of Oakland and Mr. and Mrs. H. Johnson, Raymond Johnson of Burlingame, parents and brother of Mrs. Doty also attended the religious service. A wedding dinner followed.

LIONS DONATE \$201 FOR HOSPITAL USE

The Tahoe Forest Hospital received a donation of \$201 from the Truckee Lions Club to be used to purchase a dermatome instrument for the surgery department.

This donation was made possible through the joint efforts of the Truckee Lions Club and the Tahoe City Rotary Club.

The board of directors and the hospital staff sincerely appreciate this donation, and wish to thank both organizations for past favors, and their continuing support of the hospital.

DATE CHANGED

The Placer County Board of Supervisors has changed the date for the hearing on the proposed Placer County business license ordinance from October 20 to November 17 at 7 p. m. for the purpose of giving the matter more study.

From Colorado—

Mr. and Mrs. Earl Smith, Sr., have as their guest their son, Charles E. Smith who has been stationed with the U. S. Army at Colorado.

Service Officer To Visit—

H. E. Nolen, Nevada County service officer of Grass Valley will be in Truckee, October 16 between the hours of 10 a. m. and 3 p. m. in Judge Posten Wilson's office.

Harry S. Eaton, 89, Expires; Funeral Set For Saturday

**Pioneer Railroader Lived
In Truckee For Over
70 Years**

One of Truckee's best known pioneer residents, Harry S. Eaton, 89, expired at Reno this morning shortly before 4 a. m. He had been in failing health for some time.

Funeral services will be held on Saturday but the time was not immediately announced. The Truckee Colonial Mortuary will be in charge of arrangements and the Odd Fellows Lodge will conduct the last rites. Interment will be in Truckee cemetery.

Eaton was born at Washoe City, Nevada in 1869 and came to this community in 1898, making this his home since that time. He began working for the Southern Pacific as a fireman at the age of 15 and worked for the company here until his retirement at the age of 70.

There are two surviving sons, Hilton of Sparks and Harry of Truckee. A brother, Charles, 94, lives at Reno. There are also five grandchildren and two great grandchildren.

This community will miss the deceased and extends sincere sympathy to the family.

Missing Girl Found In Local Camp As Two Men Nabbed

A 15 year old Auburn district girl, missing from her home for a week, was returned Tuesday morning after her apprehension, in the company of two young men, in Sparks, Nevada.

The two men, Jesse LaFord, 20, Lincoln, and Jerry Witham, 18, Pitcher, Okla., were returned with the girl to face charges.

The three were discovered by Deputies Sheriff Emery Lander and Preston Patnode in a logging camp north of here Monday night after Albert Shuman, 58, Colfax reported to the officers that he "felt something was wrong" at the camp. He said that one of the young men struck him when he demanded his bedroll and tent.

An investigation at the camp revealed the three youths, who gave their names and addresses Lander and Patnode immediately checked and found the girl wanted in Auburn. When they returned to the camp, however, they found the three had left and sent out an all-points bulletin.

The Sparks police found the trio and met the local officers at the state line with them. Later the Auburn police came to Truckee and returned them to Placer County.

Ted Barrett Again On Hospital Board

The board of directors of Tahoe Forest Hospital appointed Ted D. Barrett of Kings Beach to fill the unexpired term of A. E. Abbott, of Kings Beach, who recently moved to Fresno.

Barrett served on the original board until June of 1951, when he left the area for business reasons. He worked with the board through the early days of the bond issue and the hospital construction program, and has a keen appreciation of hospital problems because of this experience.

Abbott served as a director from June of 1951 until September of this year, when they moved to Fresno to make their home. Abbott was well known locally as a business man and was engaged in many community projects.

BREHLER TELLS PTA OF ADULT CLASSES

Mrs. Eugene Ridsen presided at the October 8 meeting of the Tahoe Truckee High School P.T.A. meeting due to the illness of the president, Mrs. Frank Burke. Faculty members were introduced by Mrs. Ray Hintz during the affair.

James Brehler announced that adult education survey sheets are being circulated to determine if adult classes will be held, several courses are to be opened if the response is adequate.

All interested are urged to keep in mind the date of November 12 when the annual scholarship dinner will be held. Refreshments were served by members of the P.T.A. board.

ROTARY VOTES AID FOR NEW FIREHOUSE

At their meeting Monday evening at Donner Lake Lodge, members of the Truckee Rotary Club donated \$25 to assist the Donner Lake Fire Department in construction of their new fire station.

Charles Osburn gave an interesting report on his recent trip to Alaska. George Gangler presided at the meeting.

SQUARE DANCE CLASS TO BE HELD TONIGHT

A beginners class in square and round dancing will start this evening at the Veterans Memorial Building at 8 p. m. and everyone is invited to join in the classes.

The affair is being sponsored by the Donner Dancers and Lloyd and Virginia Everett are to be the instructors.

Recovering—

Tony Polyanich left the Tahoe Forest Hospital after treatment and is continuing his recuperation at home.

To Sparks—

Mr. and Mrs. J. Barrett have left to live at Sparks, Nevada.

Goes East—

Maria Russell left this week for a trip to Massachusetts.

Wolverines Ready For Homecoming Contest Saturday

**Locals Win From Davis As
Victories Continue To
Pile Up**

Once more last Saturday on the local high school field the Tahoe Truckee Wolverines upset a highly touted foe. Victim of Coach Cal Farley's fired up Wolverines this time was the Davis High School Blue Devils 19-7, who came into the game highly rated, off three lop-sided wins over Mid-Sacramento Valley League foes.

The local Cardinal and White gridders wasted little time Saturday showing the valley boys football "mountain style" as they scored in five plays the first time they got their hands on the ball. Truckee lost the toss and kicked off. Holding for downs immediately.

In a preliminary to the Truckee-Tahoe, Davis football game Saturday, the hard-fighting Jayvees went down to defeat before the bigger and more experienced Reno High Jayvee squad on the local field, 33 to 0.

Coach Wilson has a good crew, and what they lack in weight and experience they make up in fight and enthusiasm.

ly, Davis was forced to kick, Sammy Medford running the kick back from his own twenty to the forty.

Following four quick thrusts at the Blue Devil line which netted eighteen yards, Medford took a wide pitchout around the right end and sped forty-two yards into the end zone without a hand being laid on him. Larry Rolison, 203 pound Wolverine tackle, threw a beautiful block on the last Blue Devil defender on the twenty-five that sprang Sam loose for the score. Chuck Bergman split the uprights on the conversion and Truckee led 7-0 with only four minutes elapsed in the game.

Following the opening fireworks things settled down to a hard fought defensive battle until just before the half. Late in the second period Davis got their power.

Continued on Page 8

New \$750,000 Ski Project Proposed

SQUAW VALLEY—Plans for a \$750,000 winter recreation area bordering Squaw Valley were made public by Peter Klausen, a representative of the Bear Creek Ski Development Company.

He appeared before the Placer County Planning Commission for a land development permit for the recreation area.

Klausen said two ski lifts and a day lodge are planned for the Bear Valley area, adjacent to Squaw Valley. The proposed site is approximately three miles from State Highway 89.

Klausen said if road easements and other necessary permits are obtained construction may begin next summer.

The commission granted a 12 month permit, subject to the approval of the county road, health and planning departments and the United States Forestry Service.

FATHER MULLIGAN ARRIVES FOR POST

Father James Mulligan arrived in Truckee last week to take up his duties as assistant pastor of the Catholic Church in this area. Following his ordination in Ireland he served for one year at the Sacred Heart Parish in Sacramento.

Father Mulligan is looking forward to meeting people in this area and expresses a great liking for the beautiful mountain country. The community extends a warm welcome to this young priest.

HELLER WILL FETE OFFICERS OF O. E. S.

Officers of Truckee Chapter No. 116, Order of the Eastern Star will be feted November 3 by W. M. Pearl Heller and W. P. Charlie Heller, the couple also serving refreshments at the pleasant event. A business meeting will precede the social hours.

The chapter will be dark next meeting, October 20 as a number of officers will be in attendance October 18 to the 25 at the Grand Chapter at Long Beach.

FATHER OF TRUCKEE WOMAN SUCCUMBS

Mrs. C. Z. Smith was called to Phoenix last Saturday upon receipt of word that her father, R. G. Henderson of that city was critically ill following a heart attack. He expired shortly after Mrs. Smith arrived.

Mrs. Smith will remain in Phoenix for a few days before flying home.

From County Seat—

Frank Wilson of Nevada City who recently had a bout with influenza has been recuperating at the home of his son and daughter-in-law Judge and Mrs. Posten Wilson.

Sparky says:

If Fire Strikes
Your Home...

GET OUT of the house the minute you discover it or smell

smoke!

ALWAYS be ready to use different escape routes from any

room in your house!

TEST doors before opening. If doors are hot, block them

with furniture or wet mattresses to keep out smoke and

gases. Get out another way!

NEVER jump from upper-story windows except as a last

resort! Wait for firemen.

HOLD your breath if you have to make a dash through

smoke and flame!

REMEMBER, the air is usually better near the floor in a

smoke-filled room!

CALL the fire department at once! They know how to fight

fire. Don't waste your time or your life trying to fight

a fire, unless it's so small you're sure you can control it

with the right extinguisher.

DON'T ever go back to a burning building for any reason!

Smoke and fire gases from even the smallest fire can be

deadly.

GET medical treatment at once, if you're burned

or exposed to fire and smoke! Seemingly minor

burns or smoke inhalation can have fatal results.

N F P A

DON'T GIVE FIRE A PLACE TO START!

BY VIRGINIA O' BEAR

Mr. and Mrs. Edgar Myers have
closed their Donner Lake home
for the winter and are now living
in Palm Springs. They are the
parents of Mrs. Tom Bonano.

Mr. and Mrs. Matt Henry stopped
by to see us Saturday from North
Highlands. Most of you probably
remember him as he was a racer in
the Donner Lake Regatta this
summer. They were on their way
to Pyramid Lake to spend the
weekend watching the big unlim-
ited hydroplanes race.

People at Donner Lake really
worked together in several differ-
ent places Sunday. It was a beau-
tiful day and the workers at the
property owners beach made a vast
improvement. They had Chuck
Merica over there with his big
'cat' moving and grading rocks
and sand and have a nice beach
now prepared for next summer.
They cleaned out the inlet, having
an ideal spot now for launching
boats. People came up especially
to help the beach committee and
donated half a day's work there
and half a day to the fire depart-
ment helping build a firehouse.

I can't get over the response
from Donner Lake residents in re-
gards to postal service. We have
just about all of the names now to
turn in to Mr. Arch, the postal in-
spector from Reno. Everyone
seems to feel the same about hav-
ing delivery service and it would
save a lot of inconvenience in the
winter when it snows. It is easier
and safer for one man to deliver
the mail than to have everyone

at Donner out in the ice and snow.
About one more week will finish
up the list then we hope to get
immediate action. If you have not
yet been contacted, call Mrs. Bill
Davis, Mrs. A. St. Claire or me.

We have a pet porcupine out
here at Donner. Every night he
makes the rounds and visits the
Roger Brown's, the Frank Stewarts
and the O'Bears. We put food out
for him and also for a pretty little
pine squirrel. The squirrel is get-
ting tame now and almost comes
up to eat out of my hand.

I saw lots of boats out on the
lake over the weekend. Some were
just out there fishing but I did
see some run-a-bouts out there
pulling skiers. The weather was
ideal but I imagine that water was
cold when they fell in.

There is a new organization at
Donner Lake now. It is called
Donner Lake Resorts. Eventually
it will have an incorporation after
it as things progress. It is off to
a good start and the motel, hotel
and lodge owners will get Donner
Lake mentioned all over the coun-
try. Operation motto, "Stop Over
at Donner Lake." When the high-
way is completed over the summit,
Donner Lake will become as
famous as Lake Tahoe. It can be
done as we have a lot of deter-
mined people at Donner and a lot
of hard workers to see that it is done.
The meeting Sunday night was
very successful. The name was
selected, temporary officers were
installed and an agreeable sum was
decided upon to use for mem-
bership. Carson White will be filling
the roll as president, temporarily.
Mrs. Joseph Corro is treasurer.
Mrs. Charles O'Bear as secretary.
On publicity we have the talented
Art Saunders and I have the privi-
lege of working with him on pub-

licity for the area.

I have had several people tell
me that they tried to call me last
week and I wasn't home. I did
not leave the country. I went to
school! No foolin' I was at Tahoe
Truckee High School and I learned
quite a bit the three days I was
there photographing the seniors
for the annual. I think I have my
husband Charlie talked into going
to night school so if any of you are
interested, call Charles Scuito at
LUther 7-3574. They have a list of
subjects for adult classes and I
think it would be terrific if a
bunch of us went back to school.
You never get to old to learn!

Don't forget to go out and help

the Donner Lake firemen this com-

ing Sunday. They want to finish
up the firehouse and there is a lot
of redwood to nail on the sides.
The firemen expect to finish the
roof siding and get the aluminum
on so they can put the fire truck
in its new home. It is a lot of fun
and the ladies auxiliary will be on
hand again to serve hot lunch to
all of the workers. Bring your
hammer, work starts at 10 a. m. I
am sure the firemen would appre-
ciate it as some are planning to
go to work at 7 a. m. as they did
last Sunday. Hope to see you there!

There are 17 1/2 miles of corri-

dors in the Pentagon Building.

Gold was found on the Platte

River in Colorado in 1858.

DONNER SUMMIT NEWS

BY DONNA POWERS

UTILITY DISTRICT MEETS

Invited to attend the October 6 meeting of the Donner Summit Public Utility Board of Directors held at the Donner Summit Lodge were Harry Lawson, W. P. Har- graves, and G. H. Holt all of Sac- ramento comprising a committee to represent the Southern Pacific Company in a discussion concern- ing acquisition of domestic water from Lake Mary.

The group discussed the many problems which must be overcome to obtain water. Chief among them will be financial. Either a bond issue can be sold or other means of borrowing the money established. The state law requires that the services of a qualified engineer be obtained to plan the project. The regulations of the health department must be deter- mined and met. The Union Ice Company also has an interest in Lake Mary water and must be con-

sidered. After hearing and discus- sing these and other points the Southern Pacific Company repre- sentatives offered their future services and asked that the Board of Directors of the Donner Summit Public Utility District draw up a proposal at a time when the dis- trict is in a position to go ahead. The Southern Pacific Company representatives further stated that they would consider any reason- able agreement and are confident an agreement can be reached, in view of the fact that they are anxious to receive a return on their investment.

Also of importance to the board members present, Max Williamson, Harry Pratt and Bill Cannon, was the reading of the financial report for the fiscal year ending June 30, 1959 by District Accountant Ray Carlyle. The report was accepted and will be available at the Donner Summit Public Utility District will Summit Lodge.

The next meeting of the Donner be held November 3 at which time the group will discuss the forma- tion of a fire department for the Donner Summit area. A represen- tative from the Donner Lake fire department will be present to dis-

cuss the formation of their depart- ment as a guide for the Donner Summit area.

Interested community members present at the meeting were John Johansen, Brad Board, Vince Lyd- dane, Mary Williamson, Mrs. Mc- Carty, and Donna Power. Also present for advice was attorney to the district Paul Chamberland.

ELECTION HELD

The Donner Summit Community Club held its first business meet- ing of the year Friday at the Don- ner Trail School. The main order of business was the election of of- ficers for the year 1959-60. Those new officers elected were: Al West, president; Betty Board, vice presi- dent; Betty Hampton, for a second term as secretary; Dorothy Bacon, treasurer. Those appointed to and elected to serve as board members are Herb Fredericks, Max William- son, James Simmons, Ed Monroe, Jack deRick, Mrs. Lyddane, Gloria Reed, and Donna Power. Al West has set Oct. 22 as the first meeting of the board to be held in his Soda Springs home.

The group also planned their coming Halloween party to be held October 31 at Kiski Lodge in Nor- den. Committees appointed for

THE CHANGING SCENE

50 YEARS AGO FARMERS WERE DEPENDENT ON THE SUN TO DRY THEIR HAY AND GRAIN CROPS. A SUDDEN RAIN STORM WOULD OFTEN DESTROY THE VALUE OF A CROP.

TODAY'S AIR DRYERS AUTOMATICALLY HEATED BY LP-GAS, ELIMINATE THE RISK IN CROP DRYING. CROPS GO TO MARKET WHEN THEY ARE IN PEAK CONDITION AND BRING THE GREATEST RETURNS TO THE FARMERS.

the part are games and prizes: Dorothy Bacon, Mrs. McCrackin, Mrs. Aro, Mrs. DeWitt, and Don- na Power. The clean-up commit- tee will be Paul Madden, Frank Zoll, Joyce and Allen West, Wade Hampton, and Hank Peterson. The business meeting was preceded by a potluck supper which offered a large variety of tasty dishes to tempt the members.

SUMMIT SIT

Mrs. Lola Schull was the hostess to the ladies of the Summit Sit Handwork club held Wednesday at Kiski Lodge in Norden. Barbara Zorich discussed the series of vocal recitals to be held in Reno this fall and winter season.

Mrs. Schull served delicious nut bread with coffee or tea as refresh- ments for the evening. Mrs. Joyce West has invited the group

to her Snow Laboratory home for the next meeting to be held Octo- ber 21.

HIGHWAY OPENING

Mrs. Francis Couillard of Soda Springs has been asked by Ron Cameron and Harold Johnson to head a committee of local resi- dents to plan a dedication cere- mony for the soon to be completed section of Highway 40 between Hampshire Rocks and Soda Springs. At Friday's meeting of the Donner Summit Community Club she discussed the duties of such a committee following which volunteers were accepted to serve. The committee members will be the Community Club officers.

California produced 203,000 cwt of garlic in 1958, valued at \$2,- 094,000.

when you flip a switch...

When you flip a light switch... turn on your electric range... or switch on the TV set, you expect electricity to be there, ready in an instant, night or day.

It's our job to keep electricity at your fingertips, 24 hours a day, so you can enjoy all the benefits of electrical living. That's why our linemen rush out to handle sudden emergencies—summer storms, lightning, winds that throw limbs across power lines, auto wrecks that shear off power poles.

Our aim is to keep electricity at your service, at all hours, in all kinds of weather, so you can live better, electrically!

NOTICE TO BIDDERS

Notice is hereby given that the Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, will receive sealed bids up to but not later than 5 p. m., on November 6, 1959, for draperies for classrooms and offices, in accordance with List and Specifications now on file in the office of said Tahoe-Truckee Unified School District Superintendent, located at Tahoe-Truckee High School, Truckee, California; all prospective bidders are hereby referred to said list and specifications.

Said bids will be publicly opened time and place. Each bid shall be made out on Bid Forms to be obtained at said office and must be accompanied by a certified check, or money order for ten percent (10%) of the amount of the bid, made payable to the Tahoe-Truckee School District, Truckee, California. Said certified check or money order shall be given as a guarantee that the bidder will enter into a contract or any part thereof if awarded said bid, and will be declared forfeited if the successful bidder shall refuse to enter into said contract after being requested to do so by said Tahoe-Truckee Unified School District, Placer and Nevada Counties, California. In addition, said certified check or money order shall be given as a guarantee of complete delivery on or before January 4, 1960, and will be declared forfeited if delivery is not completed on or before that date.

Said Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, reserves the right to reject any and/or all and any part or all of any bids and to waive any irregularities.

By order of the Governing Board of the Tahoe-Truckee Unified School District.

P. O. Tahoma, Lake Tahoe

A capacity attendance at Corpus Christi last Sunday required the use of the new section of the church to accommodate all worshippers.

The Western Area Soroptimists will convene in Reno at the Hotel Riverside next Friday and Saturday. Fifteen or 20 members from the Tahoe area are expected to attend.

The annual golf club party with presentation of trophies will be held Monday, Oct. 19, at Tahoe Inn.

Scoutmaster Chris F. Burmer for Troop 27, sponsored by the Rotary Club, reports a good first meeting last Tuesday at Community Hall. The Scouts meet there every Tuesday hereafter at 7:30 p. m. Twenty Scouts showed up for the first meeting. They expect a total of 40 this year. The program this year will center on much-needed fund-raising projects. Gary Burmer, Tahoe City and Sidney Byrd, Deer Island Trailer Park, are the only two Scouts in this area who will join the 100 chosen from some 4 1/2 million Scouts to assist at the 1960 Olympic Games. These 100 Scouts will be housed for two weeks during the games, at the Veterans Hall in Truckee. They will serve as information and guide hosts at 10 stations in the valley; 10 boys to a station.

Tahoe Lake School is busy making and planning Halloween costumes to grace the room and school parties on the night the witches ride. Even in broad daylight we were somewhat cautious as we previewed the monster costume of young Chris Burmer. The luminous green paint would give us quite a start in the dark of the moon.

Ninety of the Scouts chosen to work at the Olympics recently took a weekend of "basic training" at Camp Pahatsi, including clean-up, and KP.

Dick Sprague of Tahoe Park is doing well in Truckee Tahoe Forest Hospital after major surgery.

The ROTC unit at Tahoe Lake School hope to get a training course in the art of survival administered by instructors from Stead Air Force Base.

Thirty-five elementary grade children are in a school band directed by Ross Price.

Last Monday night, after their regular business meeting, the P-TA executive board surprised Mrs. Jim Reynolds with a party and gift, at the home of Mrs. Phil Howard, Highlands. Mrs. Reynolds is working at the Tahoe City Branch of Bank of America.

Mr. Bill Keehn of Tahoe City is in Stockton for a nine-weeks special training course by the telephone company.

We note that the North Shore Terminal of TALL, Tahoe Air Lines, Inc., is at Sunnyside.

Harold Munroe of Tahoma came up for his fall vacation and bagged a 125-pound forked horn on Ellis Peak.

Mr. and Mrs. W. E. Hall, who have been summering at Tahoma for some 12 years, will stay until the end of October and go to Marysville for the winter. Mrs.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

To Whom It May Concern: Subject to issuance of the license applied for, notice is hereby given that the undersigned proposes to sell alcoholic beverages at the premises, described as follows:

Hwy 28, 1 Blk W. of P. O. Kings Beach, Placer County

Pursuant to such intention, the undersigned is applying to the Department of Alcoholic Beverage Control for issuance by transfer of an alcoholic beverage license for these premises as follows:

On-Sale General Seasonal

Anyone desiring to protest the issuance of such license may file a verified protest with the Department of Alcoholic Beverage Control at Sacramento, California, stating grounds for denial as provided by law. The premises are not now licensed for the sale of alcoholic beverages. The form of verification may be obtained from any office of the Department.

Robert W. & Antoinette J. Ziegler

Sue Hall is also up for a late fall vacation. She has just returned after 31 years of teaching in Pasadena. The P-TA there honored her with a lifetime membership. It was heartening to hear Mrs. Hall's hearty endorsement of most of her students during her teaching career. The eager, good students, she said, outnumber by far those who get so much publicity and condemnation.

Mrs. Jack Smith and her daughter, Dorothy Raynor, plan a train trip vacation to New Orleans, among other places in the East. Dorothy works for the Federal Reserve Bank in San Francisco.

Son John is back at the University of Nevada for his sophomore year.

Mrs. Emily Quinn of Tahoma has closed her home and plans to spend the winter with her daughter, Mrs. Billie Rogers of Long Beach. Mrs. Quinn boasts of 16 grandchildren and 17 great-grandchildren and says she anticipates many more.

Fannie and Bill Haste will take quite a trip when they leave Tahoma this year. They plan to go to Detroit, Branford, Ont., to visit Jerry Roach and Niagara Falls; then via Buffalo to visit F. E. Roach, Boston, Fannie's brothers. They will tour New Hampshire, Maine and Nova Scotia, if the weather holds good. After that they'll go down to Westfield, New Jersey, Bill's home for many years before he came West, and visit his daughters, Janet and Dorothy Mutz.

Kathleen Starratt returned last weekend from a summer of managing Elbow Ranch, Jackson Hole, Wyoming.

Peter Klausen and associates of Squaw Valley plan a new ski resort development at Bear Valley.

Mr. and Mrs. Fred Kohler, former Truckee River residents spent a day at Tahoe last Sunday. They are now living in Napa where Mr. Kohler is maintenance superintendent for the hospital there. Fred is looking forward to retiring July 1, 1960.

Celebrating October wedding anniversaries are Carl and Elsie Becholdt, Ethel and Bill Vernon; Bob and Marjorie Bover; John and Justine Pingree; Linda and Dayl De Walt. Happy birthday greetings go to Carl Becholdt, Sr., Joe Pomin, Billy Becholdt, Corinne Otten, and Carol Lee Campbell of Tahoma.

Marie Henry reports the First Aid Class coming along fine with 23 in the initial class. Attending the Oct. 6 meeting of the Auburn Area Red Cross in Tahoe City were Patricia Williams, chairman, volunteer services, Colfax; Walter Sodv, civil defense rep., Loomis; Sylvia Steel, disaster nurse chairman, Auburn; Sharie Wilson, Columbia area rep., Auburn; Florence Brown, Gray Lady, Tahoe City; Gladys H. Robinson, Auburn rep.; Florence O. Frances, Fund Drive Treas., Auburn; Rev. Gordon C. Ashbee, First Aid Chairman, Auburn; Marie Henry, director and fund chairman; Viola M. Rose, fund drive treas.; Louise Geier, fund drive chairman; Helen Ketren, executive secretary, Auburn;

Blanche Huppe, meeting secretary, Auburn; Gene Ragle, chapter chairman, Auburn; Al Orloff, 1st vice chairman, Auburn. Cookies and refreshments served were donated by Yvonne Becholdt and Mrs. Frank Martin, appropriately decorated with a Red Cross. Mrs. Henry and Mrs. Louise Geier were hostesses.

Mr. and Mrs. James Elder joined her mother and father, Mr. and Mrs. R. W. Lawrence of Castro Valley and Tahoma, for the weekend. The Lawrences have been busy all summer putting in a fire-place and are now having a well dug.

Mr. and Mrs. Joseph T. White of Tahoma are entertaining her sister, Mrs. A. F. Shurtleff, of Redwood City.

Donald H. Baldwin of Berkeley spent a few days at his home near Chambers Lodge last week.

Mrs. R. H. La Roque who has been handling her husband's contracting office in Tahoe City this season has been confined to the hospital in Reno and is making satisfactory progress.

Don't forget to drop your usable, clean old clothing in the boxes provided at the local stores for the benefit of hospitalized veterans.

The Tahoe Woman's Club drive for this clothing ends October 22.

The Frank W. L. James of Tahoe Vista visited Inglewood.

Leaving Tahoe City the past week were Ernie Hoerdler after his annual deer hunt, Mr. and Mrs. D. Del Carlo went to Carmel and the Fred Thomsens were Sonoma visitors. Mrs. Alma Duncan returned to Modesto. Mr. and Mrs. G. B. Huston have ben at Ft. Bragg.

WEATHER

Sunday and what a delightful day, brilliant sunshine through the day, with the Lake like a mill pond. Quite a lot of people in the Crystal Bay area.

SURPRISE

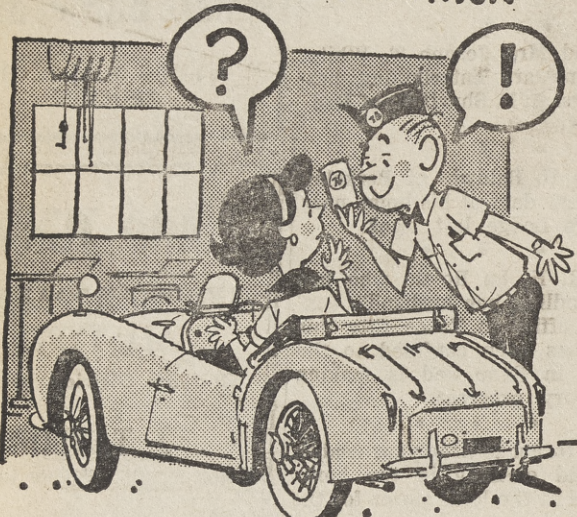

It was a surprise to see Paul

Goodman, one of the owners of Monte Carlo Lodge, had quite a chat with Paul and with Paul Ad-amco, the popular chef. By all accounts it looks very much as though the 17th of this month, the lodge will be open for the winter, to the delight of many local people.

VISITORS

Colonel and Mrs. Robert McLeod were weekend guests of Mr. and Mrs. Sam Harrison. Colonel McLeod has retired from the U. S.

STOPWEAR LUBRICATION

A bewildered young miss said, "O, G, just what can my car trouble B?" Said the Minute Man, "I Will soon show U Y Union's products suit folks to A T!"

...and he did! With Union Oil's Stop-Wear Lubrication and amazing purple Royal Triton Motor Oil, he made that young miss's car troubles disappear! So OK—how about U?

UNION OIL COMPANY OF CALIFORNIA

Limerick by Stanley G. Hofman, Hines, Ore.

WHAT'S DOING

E. J. Bean, your Telephone Manager in Truckee-Tahoe.

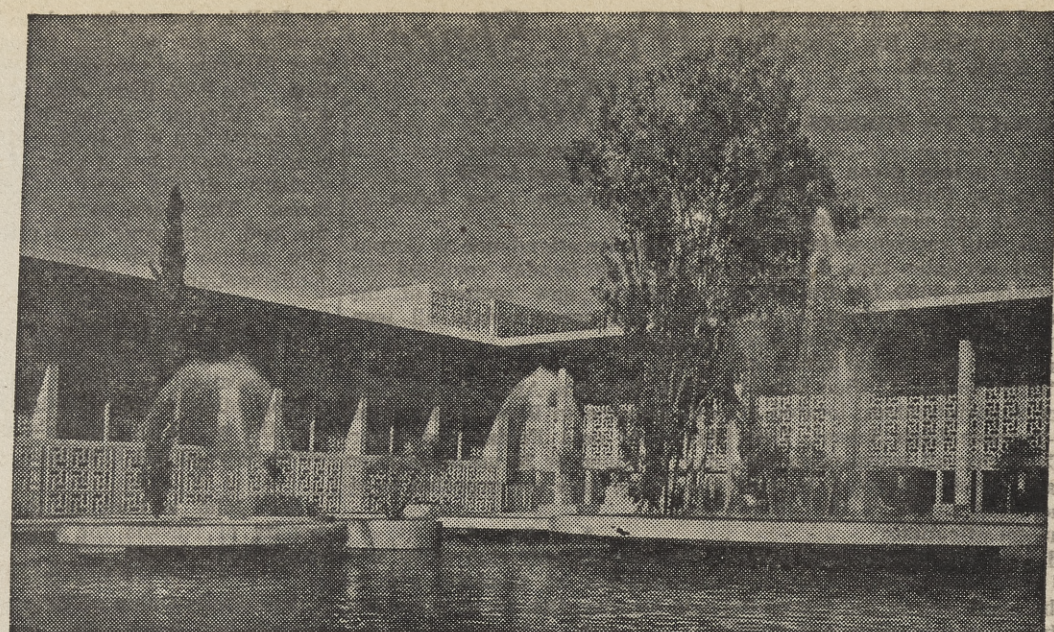

New television tower—carpenters are working on the framework of the new television tower at Squaw Valley which will house the equipment to transmit the 1960 Olympic Winter Games to the world.

Note the number and size of the poles. This type of construction, even though temporary, is necessary because there cannot be any movement of the building once the equipment is in place.

Roy Bambas, chief switchman and his installation forces will shortly begin installing the equipment as the building is nearing completion.

This is a "switchboard on wheels"—a complete telephone central office built right into a big truck trailer. Its job is to help phone people keep vital calls going through during emergencies. You see, we can send these switchboards on wheels wherever they're needed and hook them up to hundreds of phone lines in a matter of hours. Then operators work right from these trailers, keeping important calls going—fire, police, hospital, civil defense, and such. It's one way we work to keep phone service ready when it's needed most.

THIS IS the unusual and entrancing view that greets patients and visitors as they approach the new \$22,000,000 Stanford Medical Center, on the campus of Stanford University, at Palo Alto, California. The big, H-shaped, four-story building, designed by famed Architect Edward D. Stone, includes a hospital for the city of Palo Alto, a Stanford teaching hospital, quarters for the Stanford School of Medicine, and numerous other activities, including some of the world's most modern research laboratories. Spaced through the building are open air courts, with trees and fountains similar to those shown here.

Disobedience is a disturbing element in society today. It begins in the home, continues in the school and is later evidenced in work. But it is most apparent in the religious life. The Bible states that obedience to God's Word is the greatest sign of love for Christ. The Pastor's message will be "Minding God."

STATE OF CALIFORNIA
DEPARTMENT OF PUBLIC WORKS
DIVISION OF HIGHWAYS

NOTICE TO CONTRACTORS

SEALED PROPOSALS will be received by the Department of Public Works, Division of Highways, at the office of the District Engineer, 703 B Street, Marysville, California, until 10 a. m. o'clock on Oct. 29, 1959 at which time and place they will be publicly opened and read, for performing work as follows:

Nevada County, at the Eastbound Agricultural Inspection Station about two miles west of Truckee (III-Nev-37-D), highway lighting systems to be furnished and installed.

Plans and specifications, and forms of proposal, bonds, and contract may be obtained at the above address.

No bid will be considered unless it is made on a proposal form furnished by the District Engineer, and is made in accordance with the provisions set forth under Section 2, "Proposal Requirements and Conditions," of the Standard Specifications. Each bid must be accompanied by a proposal guaranty in accordance with the requirements of Section 2, article (g), of the Standard Specifications.

The Department of Public Works reserves the right to reject any or all bids.

The quantities listed in the State Highway Engineer's Estimate hereinafter stated, are approximate only, being given as a basis for the comparison of bids, and the Department of Public Works does not, expressly or by implication, agree that the actual amount of work will correspond therewith, but reserves the right to increase or decrease the amount of any class or portion of the work, or to omit portions of the work, as may be deemed necessary or advisable by the Engineer.

Bids are required for the entire work described herein.
Pursuant to the provisions of Section 1770 of the Labor Code of the State of California, the Department of Public Works has ascertained the general prevailing rate of wages and employer payments for health and welfare, vacation, pension and similar purposes in the county in which the work is to be done to be as follows:

Basic Rate	Classification	H & W	Vacation	Pension
\$3.48	Carpenter	10c phw	10c phw	10cphw
3.57	Cement mason	10c phw	none	10c phw
2.965	Concrete laborer (wet or dry)	10c phw	none	none
3.29	Concrete mixer operator (up to one yard)	10c phw	none	10c phw
2.865	Flagman	10c phw	none	none
3.79	Heavy duty repairman	10c phw	none	10c phw
2.865	Laborer	10c phw	none	none
4.075	Structural and ornamental ironworker	12 1/2 c	none	10c phw
3.92	Tractor loader operator (up to two yards)	10c phw	none	10c phw
4.08	Tractor loader operator (two yards or over)	10c phw	none	10c phw
2.94	Truck driver - under 4 yards (water level)	10c phw	none	10c phw
4.17	Electrician	10c phw	4% of gw	none

(1) or due as shift differential pay
(2) travel time is considered as time worked
Abbreviations used above in conjunction with employer payments listed in the right hand columns are identified as follows:

ph	per hour	psth	per straight time hour
phw	per hour worked	psth	per straight time hour
php	per hour paid	psth	per straight time hour
phw/p	per hour worked or paid	psth/wp	per straight time hour
pd	per day	w	wage
pdw	per day worked	gw	gross wage
pdp	per day paid	tw	total wage
pdw/p	per day worked or paid	pmd	per man day

Any classification omitted herein not less than \$2.865 per hour plus employer payments set forth in the collective bargaining agreement applicable to the class or classification of the workman or mechanic involved, as defined in Section 1773.1 of the Labor Code.

Employer payments other than those itemized above, as defined in Section 1773.1 of the Labor Code, are to be paid in accordance with the terms of the collective bargaining agreement applicable to the type or classification of the workman or mechanics employed on the project.

Overtime, Sundays and Holidays—not less than one and one-half (1 1/2) times the basic hourly rate plus applicable employer payments. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workman employed on the project.

Copies of all collective bargaining agreements relating to the work as set forth in the aforementioned Labor Code are on file and available for inspection in the office of the Department of Industrial Relations, Division of Labor Statistics and Research.

Attention is directed to Section 7, article (a), subarticle (7), of the Standard Specifications providing for employment of apprentices on the work. Every such apprentice shall be paid the standard wage paid to apprentices under the regulations of the trade at which he is employed. Information relative to employment of apprentices shall be obtained from the Director of the Department of Industrial Relations, who is the Administrative Officer of the California Apprenticeship Council.

STATE HIGHWAY ENGINEER'S ESTIMATE
Item 1. 14 cubic yards portland cement concrete (foundations).
Item 2. Highway lighting system.

AFFAIRS OF STATE

Henry C. MacArthur

SACRAMENTO—(CNS) — After years of talking, and years of dilly-dallying, the state legislature may get around to making provision for a new governor's mansion in Sacramento at the budget session in March.

Reason is that the old mansion, erected in the late 1800's, has been thoroughly inspected by the state fire marshal, and declared to be a fire trap.

Whether Governor Edmund G. Brown and his family remain in the mid-Victorian structure after this disclosure remains to be seen, but in any event, the time is long over-due for the acquisition of land and the construction of a new, convenient, comfortable, and modern domicile for the governor of the state of California.

It has not been wholly the fault of the state legislature that this has not been accomplished some time ago. Previous governors have been afraid that their signatures on a bill providing funds to construct a new mansion would react on them politically.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

To Whom It May Concern:

Subject to issuance of the license applied for, notice is hereby given that the undersigned proposes to sell alcoholic beverages at the premises, described as follows: VIII Olympic Winter Games Area, Squaw Valley, Placer County. Pursuant to such intention, the undersigned is applying to the Department of Alcoholic Beverage Control for issuance on original application of an alcoholic beverage license for these premises as follows:

ON-SALE GENERAL SEASONAL-QUARTERLY
Anyone desiring to protest the issuance of such license may file a verified protest with the Department of Alcoholic Beverage Control at Sacramento, California, stating grounds for denial as provided by law. The premises are not now licensed for the sale of alcoholic beverages. The form of verification may be obtained from any office of the Department.
ABC Vending Corporation of California

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Governing Board of the Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, at the office of the Superintendent, Truckee, California, on or before, and not later than October 22, 1959, at five o'clock p. m., at which place and time bids will be opened for the purchase of one used school bus in accordance with the specifications on file at the office of the District Superintendent.

The above bus shall meet all requirements of the State of California in every respect as set forth by the State Department of Education and the California Highway Patrol for 1959 regulations.

The Board of Trustees reserves the right to reject any or all bids, in part or in toto, to waive any irregularities, and to be the sole judge of the suitability of equipment offered.

Bidders are required to submit complete specifications for any and all items for which bids are offered and furnish a certified check in the amount of ten (10%) per cent of the bid to guarantee faithful performance of contract. By order of the Governing Board.

Many of them have held, and with some justification, that other demands for expenditure of capital outlay funds have had top priority, and therefore, were reluctant to provide funds for a home for themselves.

The legislature, of course, could have taken steps to provide a new dwelling by sending the governor a bill, which probably would have been vetoed. However, the legislature has the power and authority to override a veto, but it never has taken the bull by the horns and gone to work on the problem. And the longer it waits, the more the mansion will cost the taxpayers.

The situation is something of a disgrace to a state which boasts of its progress, the fact it has more than 15,000,000 population, and counts its wealth not by millions, but by billions of dollars.

This disgrace was heightened when many friends of Governor Brown were shepherded by Assemblyman Tom MacBride, (D-Sacramento) into making donations for a swimming pool at the old mansion. MacBride has never disclosed how much the pool cost or who put up the money, and actually, the information is private because a few people felt that the chief executive of California should not be denied the pleasures of a cooling dip in Sacramento's 105 degree weather.

Perhaps if the legislature again fails to vote funds for a new home for the governor, public sentiment will have to take over and funds raised by private subscription. While no accurate estimate of

FACT FINDING GROUP TO MEET OCTOBER 16

Senator Ronald G. Cameron, Seventh District, Placer, Sierra and Nevada Counties, a member of the senate fact finding committee on natural resources, Senator J. Howard Williams, chairman, announced today that the committee will hold a hearing in Room 4040 of the state capitol building in Sacramento at 10:30 a. m., October 16, to consider all aspects of the state division of forestry's aerial retardant initial fire attack program, as well as the division's communication plan.

the total funds that have been expended on maintaining the old mansion is available, fiscal officers in the state Capitol figure that more money has gone into the old house than would have been necessary to acquire land and build a new one. Thus, if a modern mansion were erected, taxpayers would be saving money in the future, as Yockers pointed out that to make the old structure safe, a complete fire escape system and sprinkler should be installed.

Such an operation would cost a tremendous amount of money, which would be wasted as eventually, the building will come down anyhow.

So if California is to live up to its reputation of being a modern and progressive state, the mansion appears to be the next move.

WOLVERINES

Continued from Page 1

ful single wing offense in gear and moved to the tying touchdown with 25 seconds to play in the period. The touchdown was scored on a short off tackle smash but was set up by a single wing optional pass-run in the flat good for twenty-one yards. The conversion attempt was good and the teams left the field tied 7-7.

Except for one drive which the Wolverines stopped on the seven, the second half was all Truckee as the local boys took the second half kickoff and marched to the go ahead touchdown without relinquishing possession of the ball. Bill Notley, Wolverine full back, got the second counter on a raper thrust up the middle after big Bob Merica had set the ball in position for the score on an end around good for thirty-four yards. Early in the fourth period Notley put the game on ice as he slid off the left tackle, cut to the outside, and sped sixty yards down the sideline for the last Truckee score. Reserves finished out the contest and the Wolverines were deep in Blue Devil territory when the gun sounded. Captain Marty Kumle was his usual terror on defense and reserve Reg Smart also was making tackles all over the field in the second half. Notley gained one hundred forty-two yards in eighteen carries to lead the offense while Medford and Bergman also ripped off some nice gains.

HOMECOMING

This Saturday is another "big one" for the Wolverines. In their annual homecoming encounter the Cardinal and White will entertain a strong Lovelock Mustang team in a Northern Nevada A Conference clash on the local field at 2 p. m. Lovelock has a 4-1 record and has only fallen to the powerful Winnemucca Buckaroos last Friday

MARY ANN TONINI IS FEATURED IN PHOTO

The Longmont Daily Times-Call in a recent issue, published a photo and article about Mary Ann Tonini, daughter of Mr. and Mrs. Elden Tonini of Truckee, who is teaching in the Longmont, Colorado schools. Miss Tonini is instructing in girls' physical education at the high school there. She is a graduate of the local high school and the University of Nevada.

OFFICERS MEET TO DISCUSS PROBLEMS

To better understand the problems of juveniles and prevent any potential delinquency, authorities concerned with the question are planning regular meetings for open discussions with an aim for coordinating efforts. The first of these meetings was held at the high school here Tuesday.

Attending and taking part in the discussions were Floyd Ponds, county probation officer, Deputies Roy Waters and Frank Gallino, school officials from Nevada and Placer counties and community leaders.

night in a bitterly fought contest at Lovelock. The Mustangs are very much still in contention for conference honors and would like nothing better than to knock off the Wolverines and throw the race into a three-way tie, necessitating a play-off for the right to enter the state play-offs.

Highlight of Saturday's clash will be the crowning of the homecoming queen at half-time. It is hoped a large local crowd will turn out and cheer the Wolverines on to their best football season in the history of the school.

HOW TO BAIT A BEAR—A tackling dummy representing the Chicago Bears is hit hard by two big 49er's from San Francisco and one small boy from Hanna Boys' Center in Sonoma. Tackles Leo Nomellini (left) and Bob St. Clair, whose combined weight is 520 pounds, invited the young 60-pounder from the California "boys' town" to join them as they practiced for the 49er's Oct. 25 game with the Bears.

PATRICIA GUNKEL, PHILLIP EDWARDS MARRIED AT LAKE

—Photo by Virginia O'Bear

Mr. and Mrs. Phillip Carlos Edwards who were married on Saturday at Cedar Glen Lodge Mrs. Edwards is the former Miss Patricia Lynn Gunkel. Both are popular North Tahoe residents.

By VIRGINIA O'BEAR

The beautiful green lawn at Cedar Glen Lodge was the setting for the wedding of Miss Patricia Lynn Gunkel, daughter of Mr. and Mrs. H. L. Gunkel of Tahoe Vista, and Phillip Carlos Edwards, Jr., son of Mr. and Mrs. Phillip Edwards of Kings Beach, on Saturday, October 3.

Officiating at the outdoor ceremony was Reverend Earl Langguth, of the Kings Beach Methodist Church, and present were many members and close friends of both families.

Given in marriage by her father, the bride wore a full length gown, a creation of slipper satin and chantilly lace, with fitted bodice, small collar and long pointed sleeves. Her veil of finest French illusion was caught to her hair with a crown set with rhinestones.

Miss Gwen Gray of Martinez, was maid of honor. She wore a purple slipper satin ballerina length frock with matching shoes and ostrich feather headdress.

The bridesmaids were Beverly Gunkel, sister of the bride, and Sharon Wentz of Sacramento.

The best man was Gary Gunkel, brother of the bride. Ushers were Michael Todd of Oakland and Ronald Wenz of Sacramento.

Mrs. Gunkel chose for her daughter's wedding a blue lace dress with royal blue accessories. She was wearing a purple orchid. Mrs. Edwards, the bridegroom's mother, wore a blue and rust print crepe dress with brown accessories. She was wearing a corsage of rosebuds.

Mrs. Earl Langguth, organist, provided incidental selections during the seating of the guests and played the wedding march. Mrs. Gil Johnson sang "The Lord's Prayer" during the ceremony, accompanied by Mrs. Langguth.

Following the impressive ceremony, a reception was held at the home of the bride's parents. Three close friends of the bride served the wedding guests with food and fruit punch. They were Kavtie Corbin, Marilyn Plevel and Tina Gruendeman.

The new Mrs. Edwards attended local schools and is a graduate of Tahoe Truckee High School. She attended San Francisco State College for a short while. Her bridegroom graduated from a Sacramento high school and is a member of the Masonic lodge.

The popular young couple honeymooned at the Holiday Lodge in San Francisco and will make their home at Tahoe Vista.

TNT Tidings

By SHERRY THATCHER

The 1959 Annuals arrived at last and were distributed to the students Friday, October 9. This annual was dedicated to Mr. and Mrs. Nat Quillici in memory of their daughter, Carol Ann. The covers were white with "The Chipmunk" in red letters.

Saturday, October 17, is the 1959 Homecoming game with a dance "Moments to remember," for the students, following. This year the Wolverines meet with Lovelock and, since it is Homecoming, we hope to see a lot of people out there rooting our team on. Homecoming is a special game and dance when it is hoped that all the alumni of Tahoe Truckee who can make it will come. The Homecoming Queen will be announced and crowned at the game. The dance is sponsored by G. A. A. and Block T.

The new arts and crafts room at the high school is quite a change from last year's art room. It is large and has windows the full length of the wall. There is a large office for Mr. Morris. New materials have been purchased so there is plenty for the students to work with.

Mr. Sciutto's office has been moved to Mr. Corbin's old office, which has been redecorated, and Mr. Brehler has moved into the office Mr. Sciutto used to have. Mrs. Stewart, the dean of girls, still has her own plus Mr. Brehler's old office.

It seems that the seniors who graduated last year are scattered all over. Among those at Sierra Junior College are Allan Young, Walter Bailey, Nancy Kaspian, Nancy Williamson, Carle Terkildsen, Rosalee Frates, Larry Reid (who is on the Sierra football team), Steve Cowan, Mike Moore, and Dorothea Frey.

The University of Nevada has its share of former TNT-ers. They are: Jo Ann VanHooser, Buzz Trainor, Shirley Taylor, Koby Kiser, and Rex Donaldson.

Tim Johnson is going to "Cal Poly," while Craig Robinson is attending Fresno State College.

DISTRICT GOVERNOR IS GUEST OF ROTARY

TAHOE CITY—John M. Lee, governor of Calvada District 519, Rotary International, was guest of honor at the October 6 dinner meeting of Tahoe City Rotary Club at Tahoe Inn.

The theme of the governor's after-dinner talk was "Bridges of Friendship" and he began with the founding of the first Rotary club on February 23, 1905 when Paul P. Harris, a young Chicago, Illinois attorney sought a better acquaintance and friendship among business men of his neighborhood by inviting a few to his office at lunch time. The idea took root immediately with the meetings rotated from office to office and finally to established eating places.

The idea of fellowship among men has now spread to 102 countries of the world with a total of 9500 Rotary Clubs, the governor said.

He was in accord with the idea of President Bill Bechtoldt, that a Rotary Center be established at Squaw Valley during the 1960 Winter Games as there will no doubt be many Rotarians from foreign lands attending the event.

Thirty four members and two visiting Rotarians attended the meeting. The visitors were Jack Brubaker of Walnut Creek and Graham Scranston of Auburn. Both have summer homes at Tahoe.

BACK FROM OREGON

TAHOE PINES—Mr. and Mrs. Robert McMahon returned last week from Albany, Oregon, where Mrs. McMahon has undergone a series of health examinations by specialists. The report was most satisfactory, McMahon declared.

Tarzan

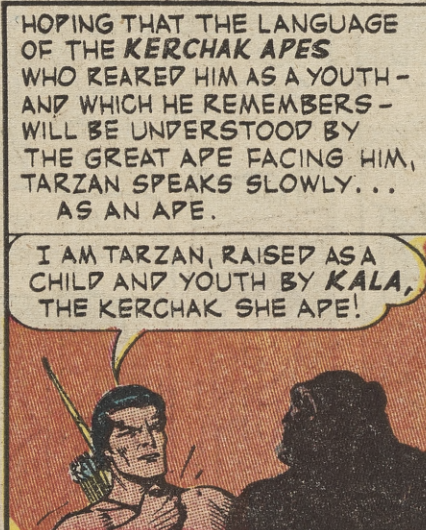

by EDGAR RICE BURROUGHS

TARZAN'S MISSION TO HELP THE TINI-TINI MEN REGAIN THEIR STOLEN WIVES AND DAUGHTERS HAS TAKEN HIM FROM THE MOUNTAIN-TOP FOREST OF THE WORLD'S SMALLEST PEOPLE, DOWN INTO A JUNGLE HIDEOUT OF THE WORLD'S LAST COLONY OF GREAT APES.

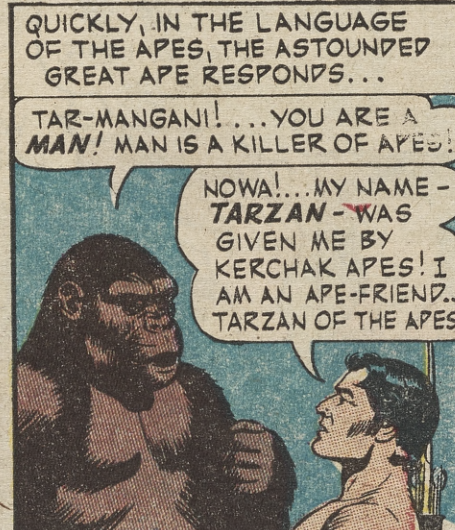

ASTONDED FOR A MOMENT BY FINDING THIS COLONY OF GREAT APES, THOUGHT TO BE EXTINCT, TARZAN FORGETS THE CRIES OF THE TINI-TINI CHIEF'S CAGED WIFE-- AS THE MIGHTIEST OF BEASTS APPROACHES.

BILL ELLIOTT
JOHN CASARDO

HOPING THAT THE LANGUAGE OF THE KERCHAK APES WHO REARED HIM AS A YOUTH-- AND WHICH HE REMEMBERS-- WILL BE UNDERSTOOD BY THE GREAT APE FACING HIM, TARZAN SPEAKS SLOWLY... AS AN APE.

I AM TARZAN, RAISED AS A CHILD AND YOUTH BY KALA, THE KERCHAK SHE APE!

QUICKLY, IN THE LANGUAGE OF THE APES, THE ASTONDED GREAT APE RESPONDS...

TAR-MANGANI!... YOU ARE A MAN! MAN IS A KILLER OF APES!

NOWA!... MY NAME-- TARZAN-- WAS GIVEN ME BY KERCHAK APES! I AM AN APE-FRIEND... TARZAN OF THE APES!

WHAT BRINGS YOU TO THIS PLACE, WHERE WE LAST GREAT APES HIDE?

I SEARCH FOR LITTLE SHE PEOPLE, STOLEN FROM THEIR FOREST HOME-- LIKE THE ONE YOU HAVE IN THAT CAGE!

WE DID NOT STEAL THIS LITTLE SHE ONE, NOR HARM HER! WE SAVED HER FROM A MAN! I KILLED THE MAN!

T-A-R-Z-A-N!
TAR-ZAN!

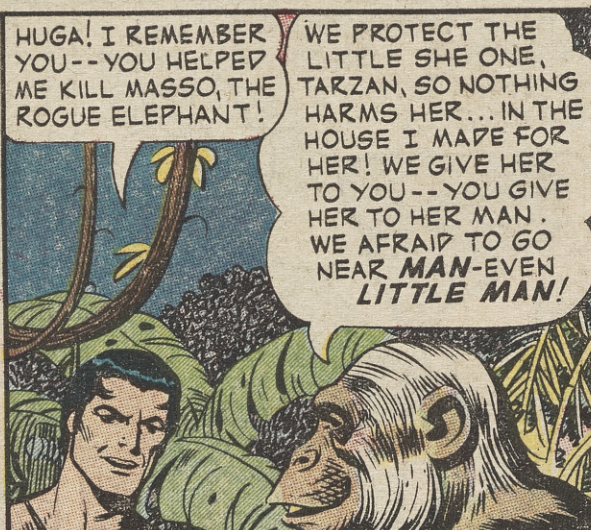

HE SPEAKS APE LANGUAGE AND I KNOW HIM... FROM LONG-LONG AGO! HE IS TARZAN OF THE APES!

WHO ARE YOU, OLD ONE, WHO KNOWS ME-- FROM LONG AGO?

I AM THE LAST OF THE KERCHAK APES! I AM HUGA, FIRST SON OF KALA! YOU LIVED WITH US AS A BROTHER! HUMO, HERE, IS MY SON!

10-18
1493

HUGA! I REMEMBER YOU-- YOU HELPED ME KILL MASSO, THE ROGUE ELEPHANT!

WE PROTECT THE LITTLE SHE ONE, TARZAN, SO NOTHING HARMS HER... IN THE HOUSE I MADE FOR HER! WE GIVE HER TO YOU-- YOU GIVE HER TO HER MAN. WE AFRAID TO GO NEAR MAN-- EVEN LITTLE MAN!

THE PALACE OF THE SULTAN, LOWTAR OF FILTERTIPABAD, FATHER OF 17 BEAUTIFUL DAUGHTERS-- BUT NO SONS!

MY PRAYERS HAVE BEEN ANSWERED--THIS DOCUMENT INFORMS ME THAT I HAVE LEGALLY ADOPTED A MALE WHO IS BEING SENT HERE TO BECOME HEIR TO MY THRONE!

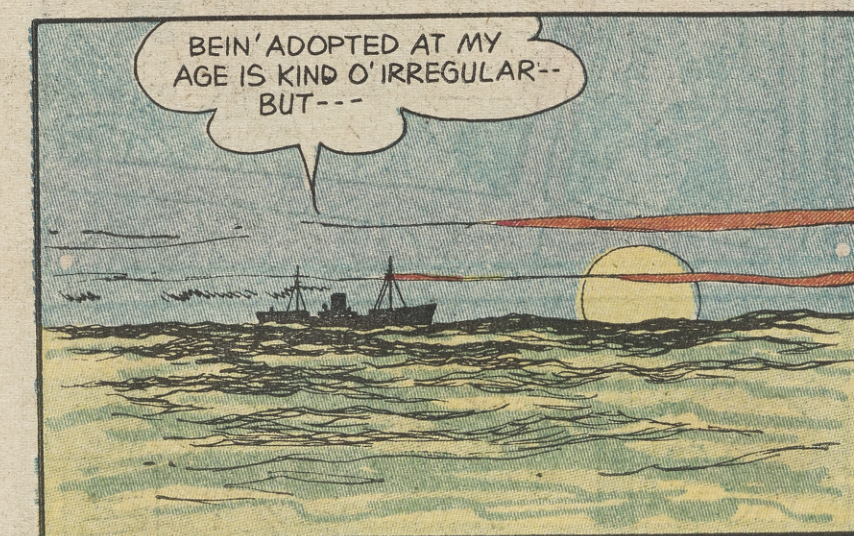

IS OUR NEW BROTHER TALL AND FAIR AS THE POMEGRANATE?

OR IS HE AS DARK AS THE DESERT NIGHT-- WITH EYES THAT SHINE LIKE BLACK DIAMONDS IN THE MOONLIGHT?

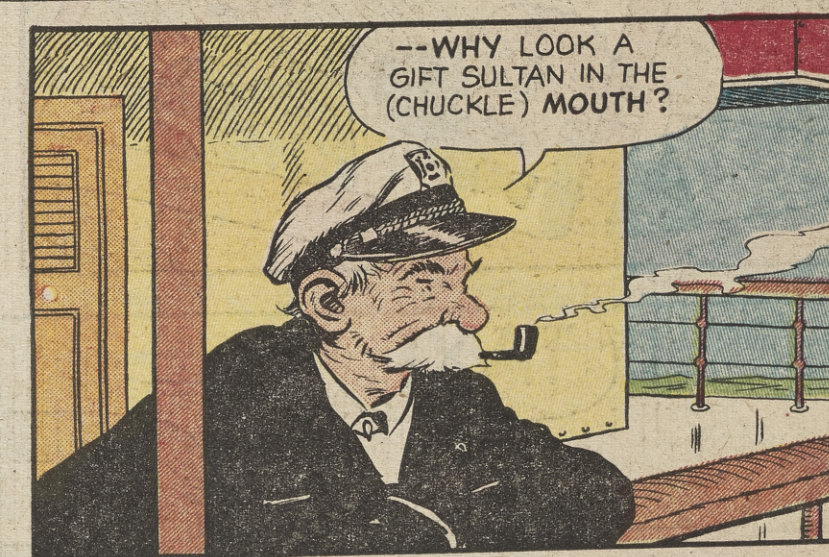

ENOUGH OF YOUR IDLE CHATTER, MY DAUGHTERS--

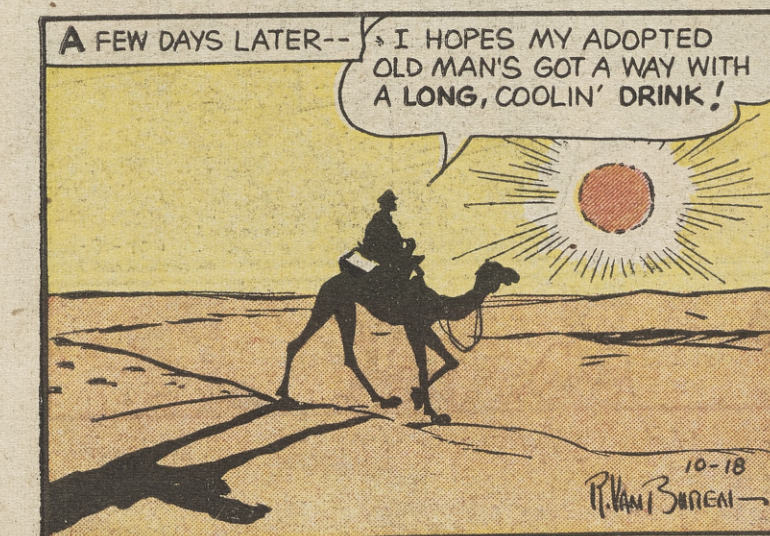

THIS COMMUNICATION MERELY SAYS THAT HE IS MALE!! THAT WAS MY ONLY SPECIFICATION!

BEIN' ADOPTED AT MY AGE IS KIND O' IRREGULAR-- BUT---

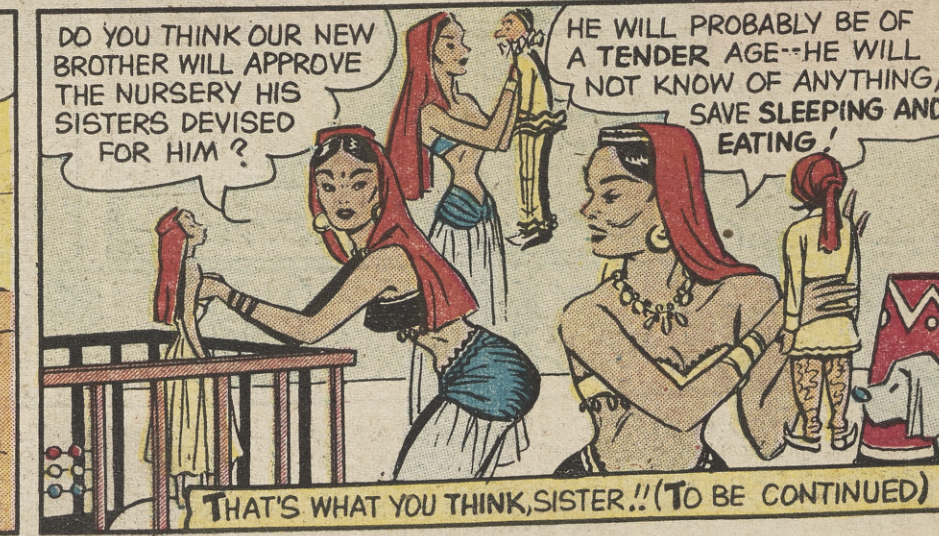

--WHY LOOK A GIFT SULTAN IN THE (CHUCKLE) MOUTH?

A FEW DAYS LATER--

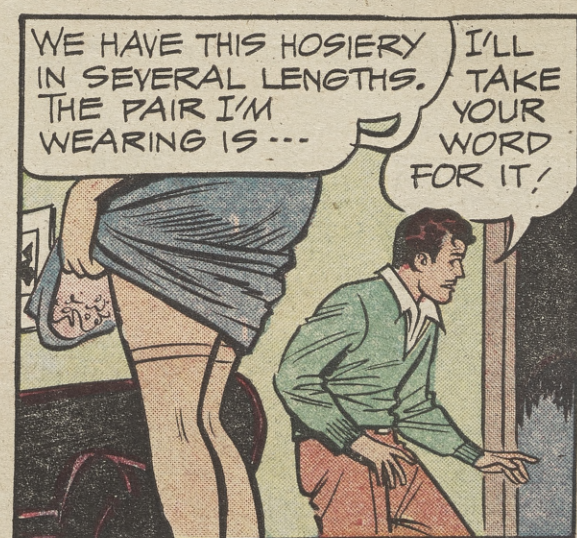

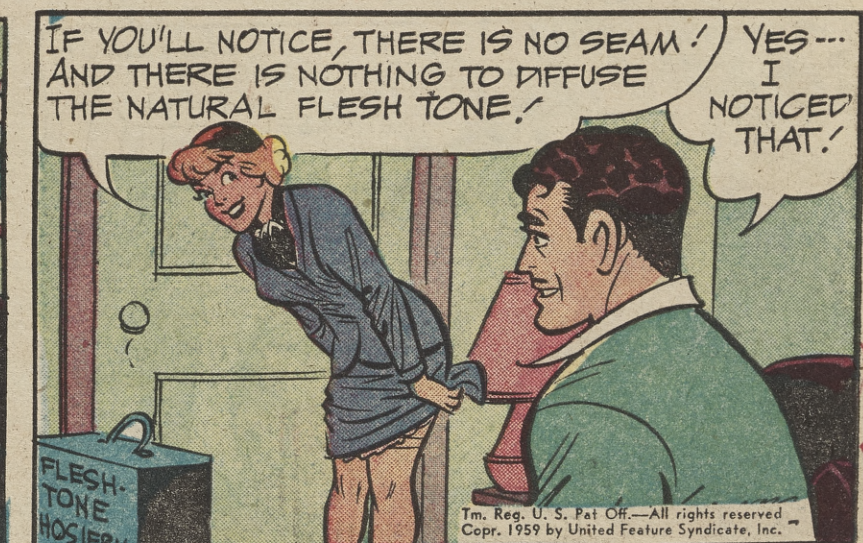

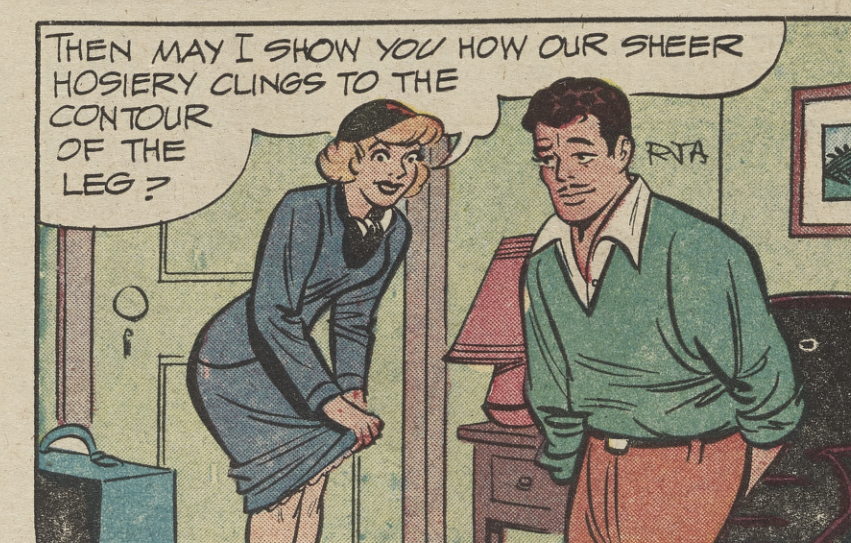

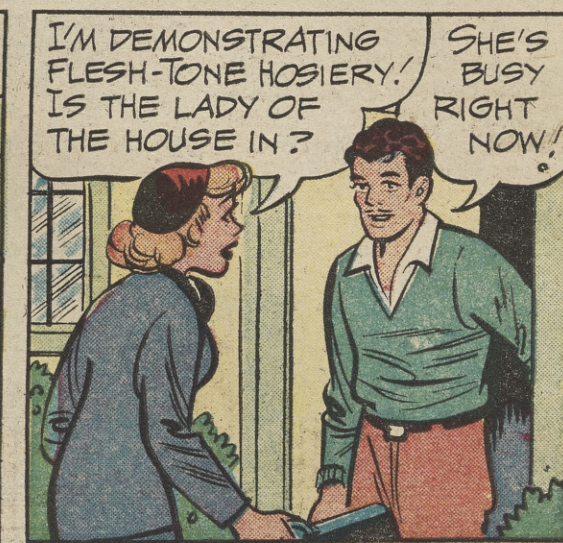

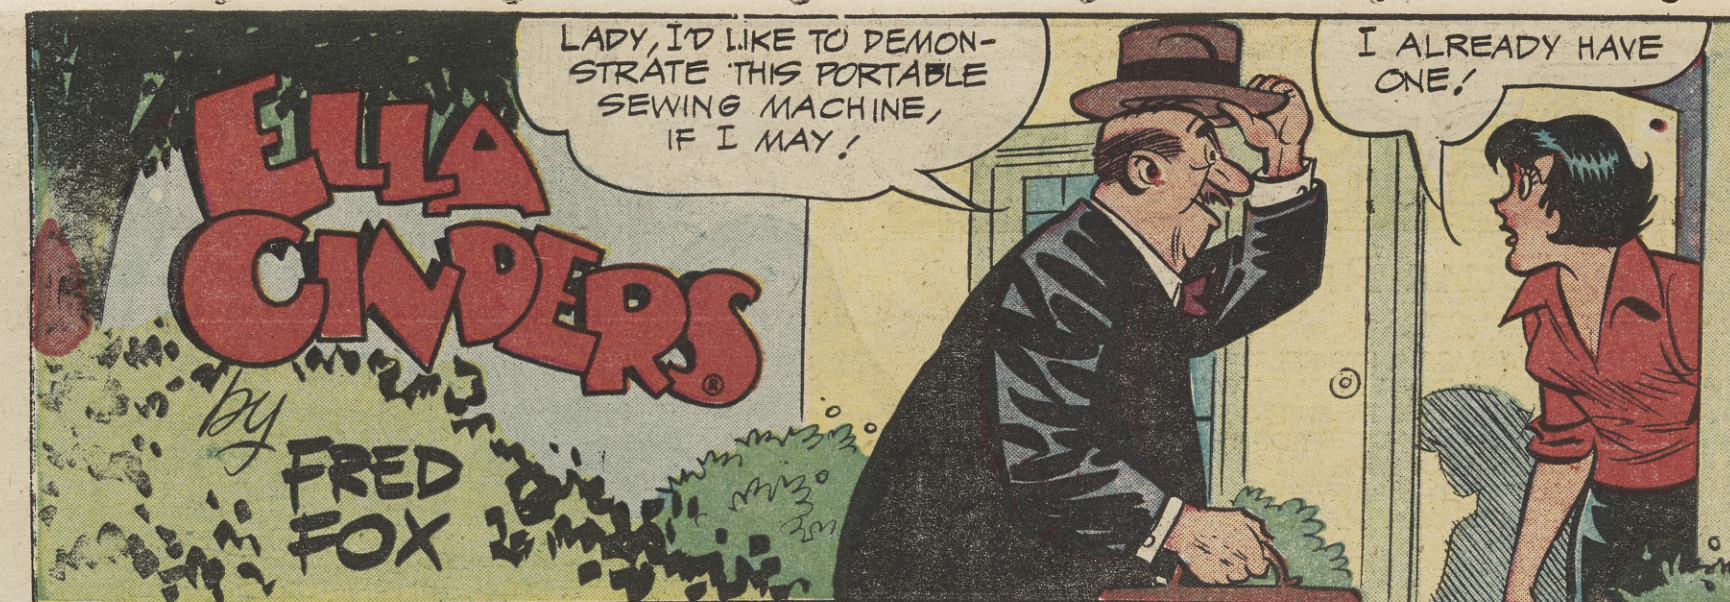

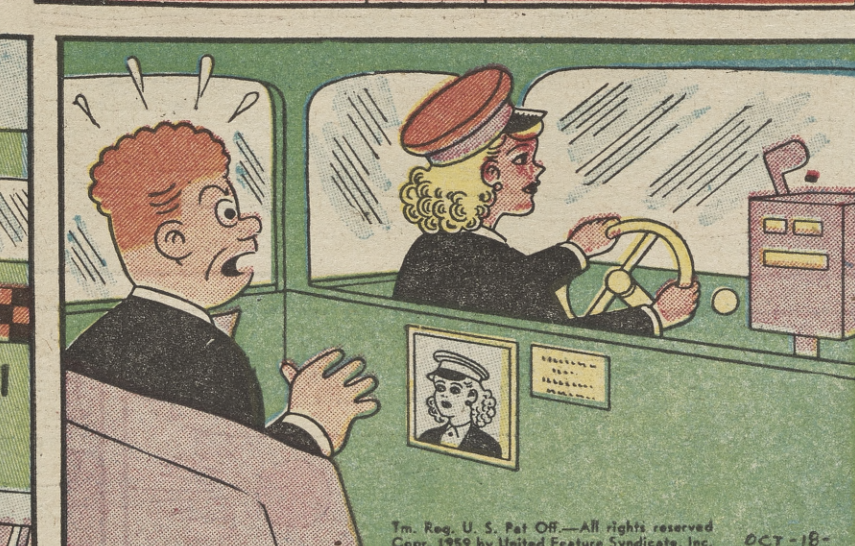

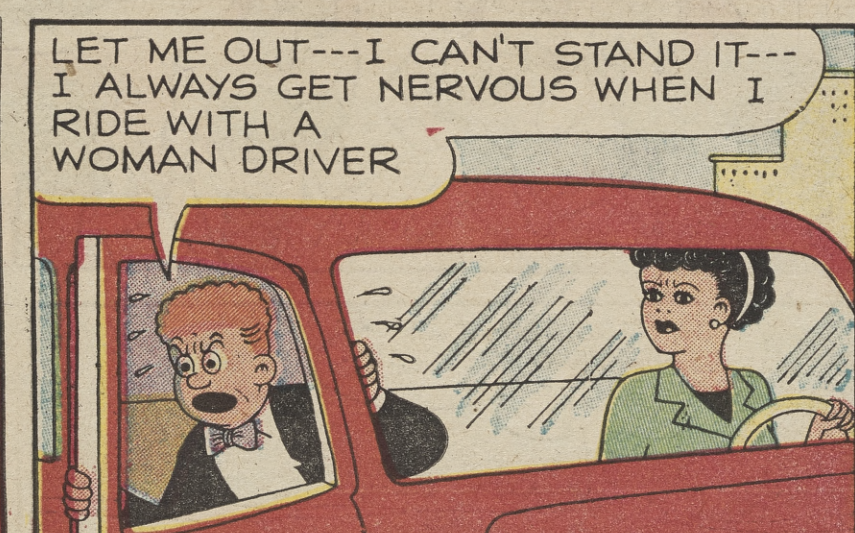

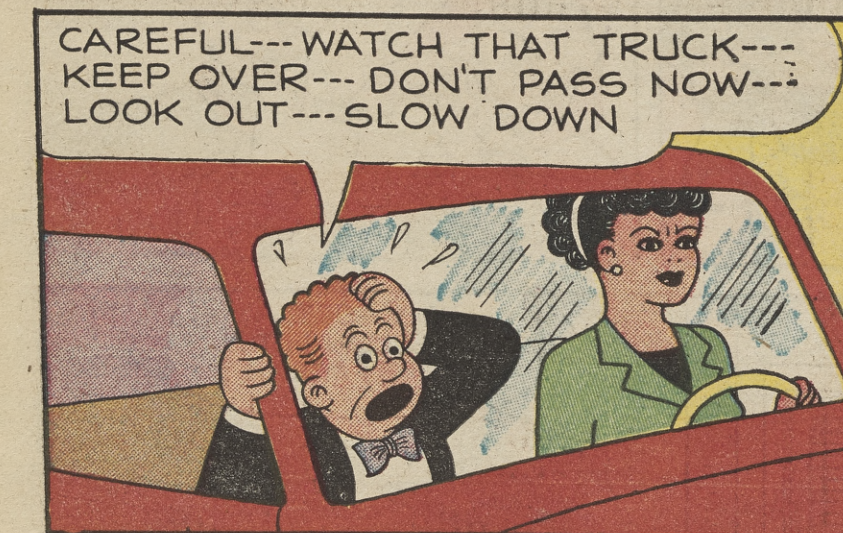

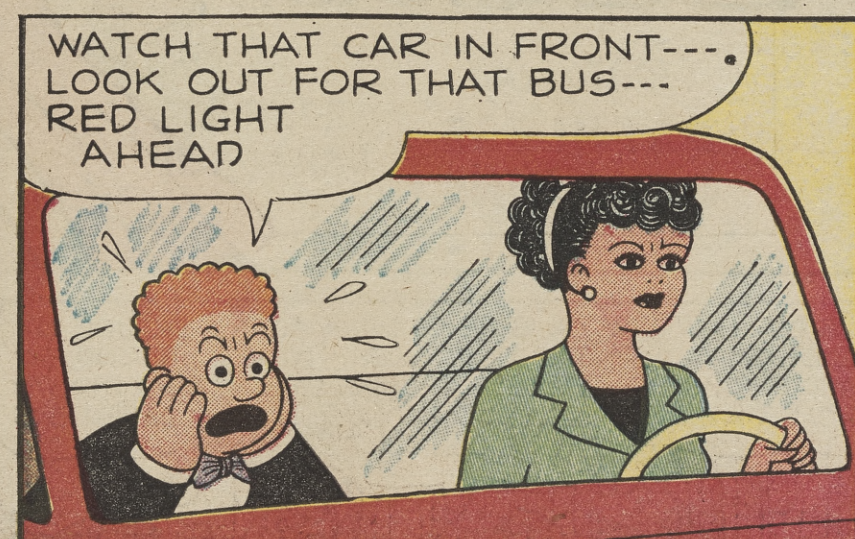

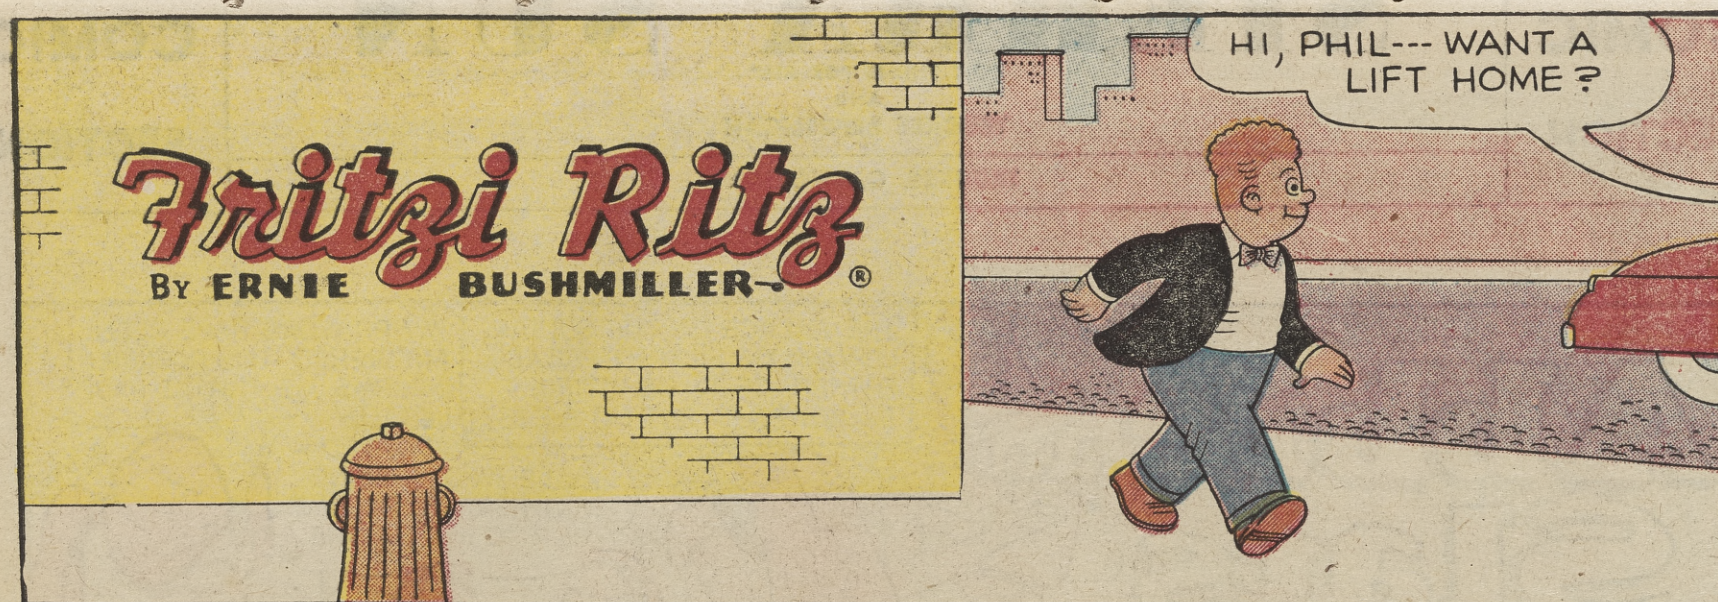

I HOPES MY ADOPTED OLD MAN'S GOT A WAY WITH A LONG, COOLIN' DRINK!

DO YOU THINK OUR NEW BROTHER WILL APPROVE THE NURSERY HIS SISTERS DEVISED FOR HIM?

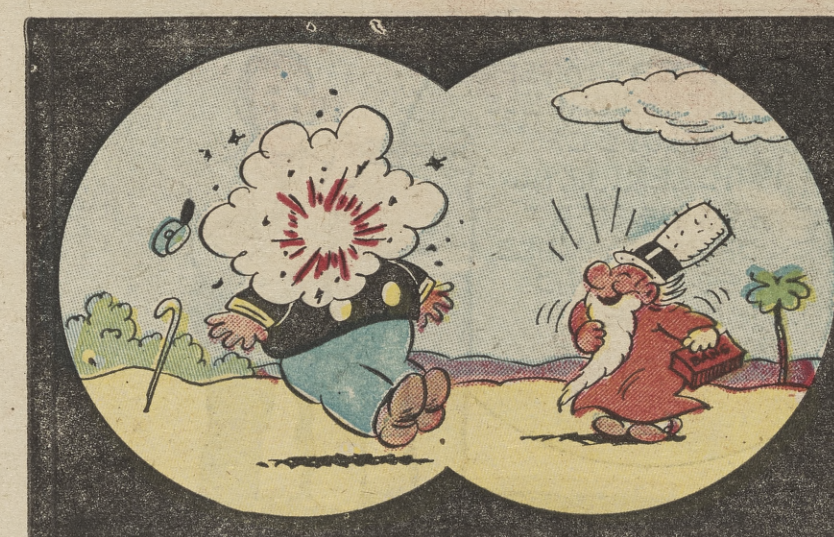

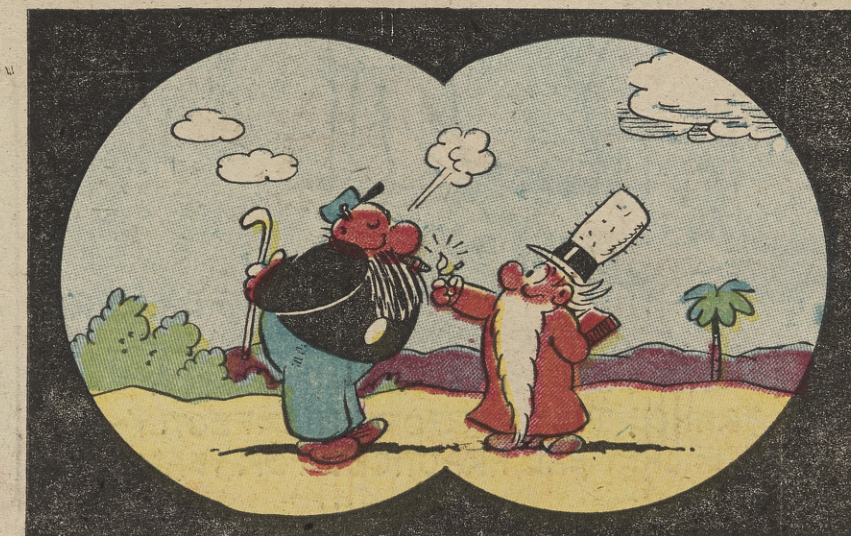

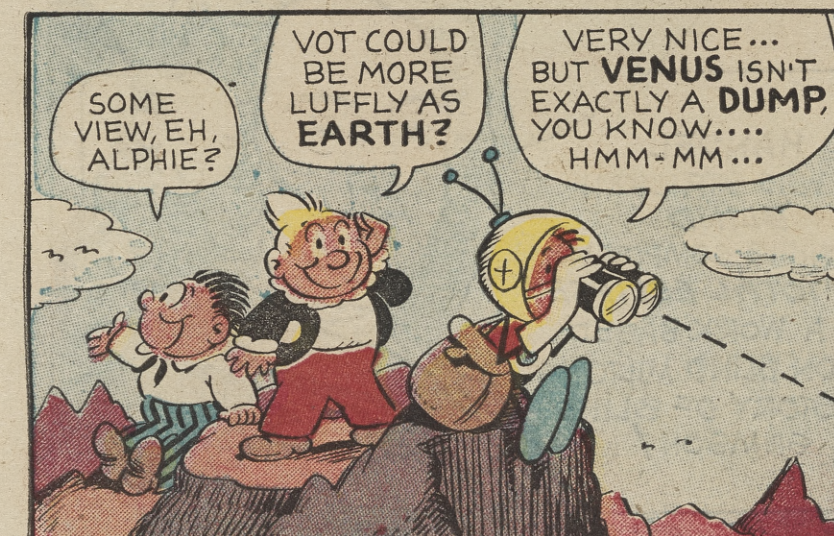

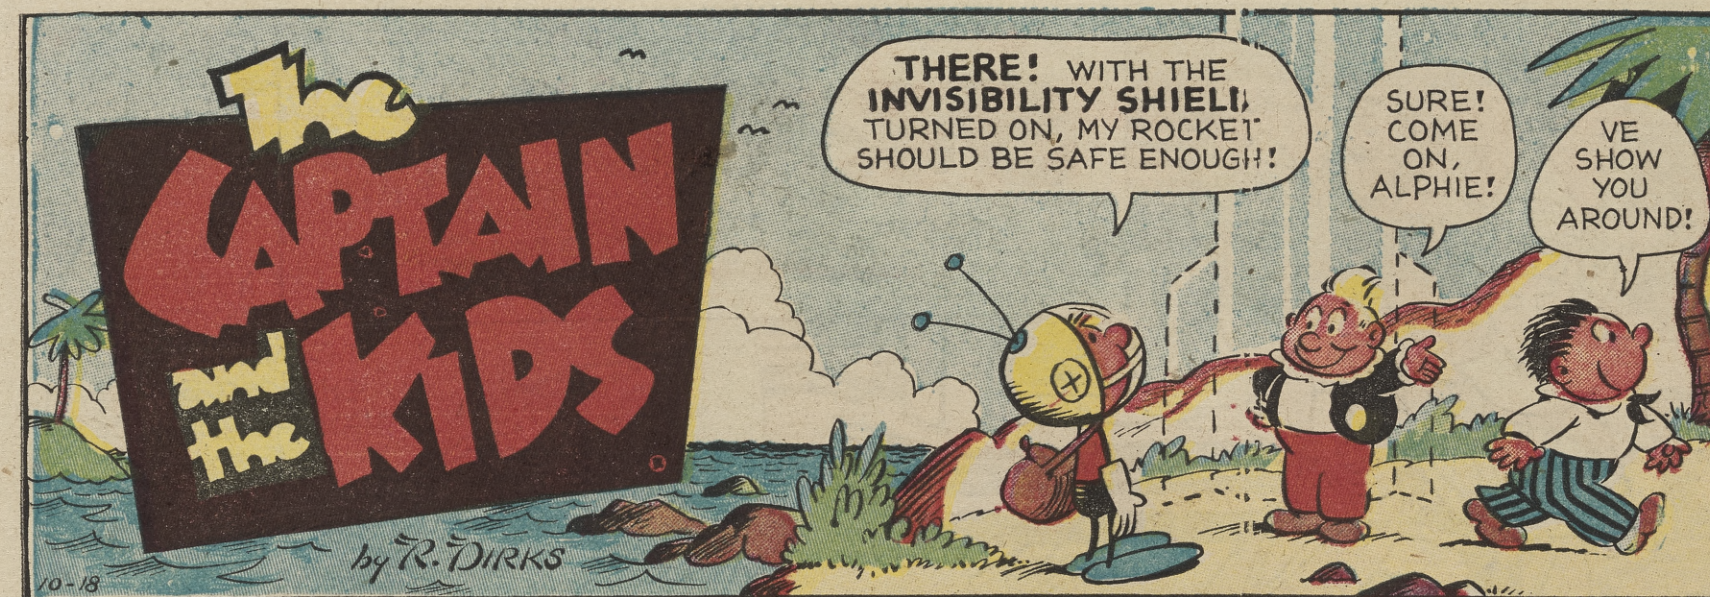

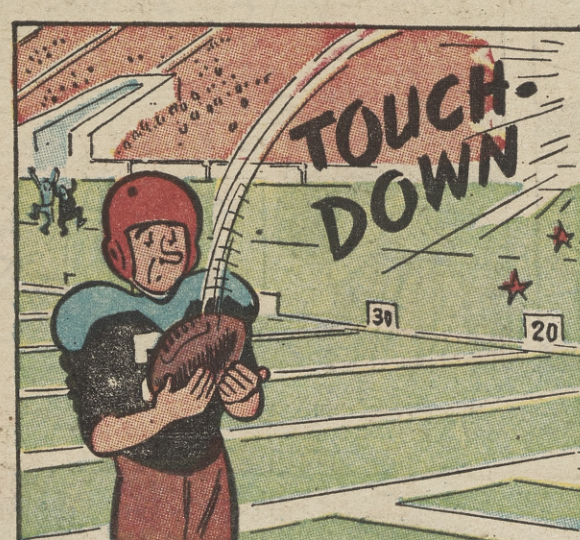

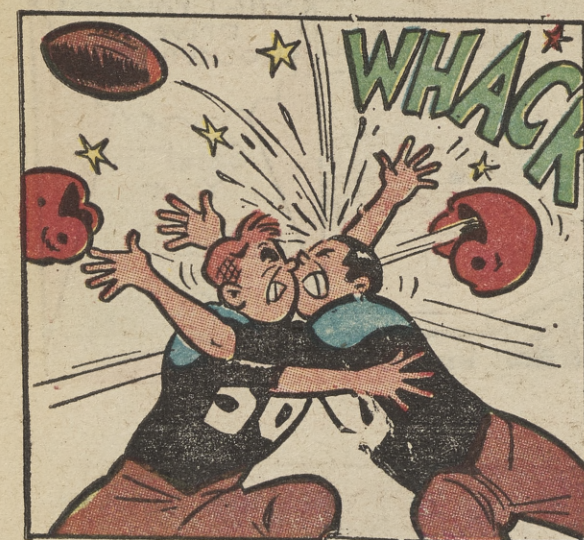

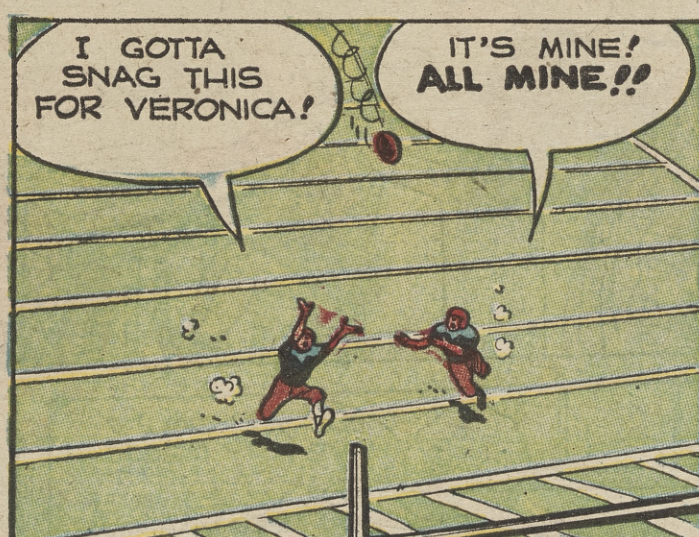

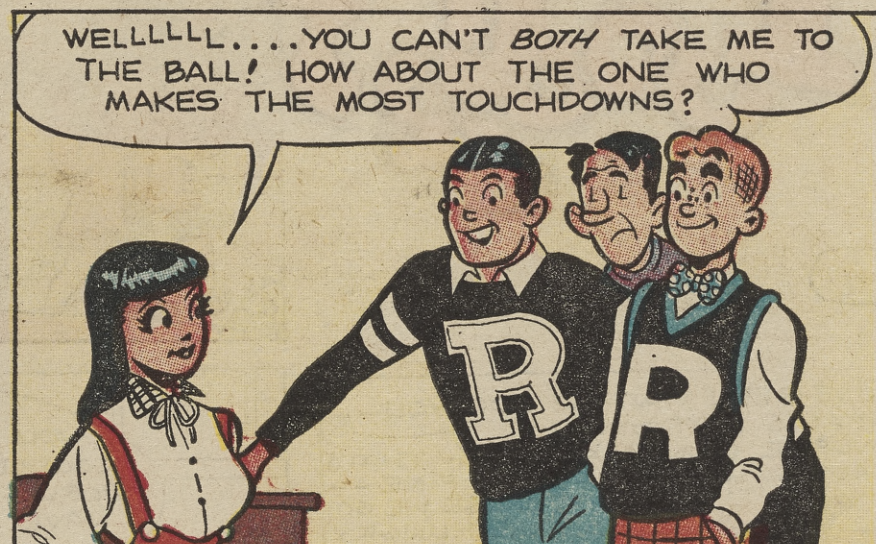

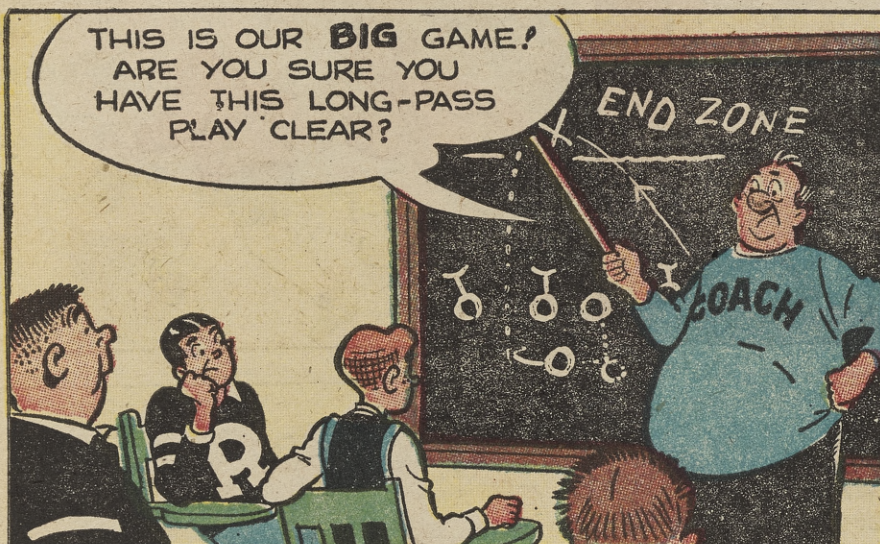

HE WILL PROBABLY BE OF A TENDER AGE--HE WILL NOT KNOW OF ANYTHING, SAVE SLEEPING AND EATING!

THAT'S WHAT YOU THINK, SISTER!! (TO BE CONTINUED)

STRANGE as it seems

ELSIE HIX

AMONG THE WOODCOCK-- THE MALES HAVE SHORTER BEAKS THAN THE FEMALES

HANDEL WAS STRICKEN BLIND WHILE COMPOSING "TOTAL ECLIPSE," A WORK BASED ON BLIND MILTON'S STORY OF BLIND SAMSON!

BALINESE SANGHYANG DANCERS NEVER RECEIVE ANY TRAINING-- ONCE THE LITTLE GIRLS ARE PUT IN A TRANCE THEY PERFORM PERFECTLY-- AS IF THEY HAD PRACTICED FOR YEARS!

FROM ONE POTTED PRICKLY PEAR CACTUS BROUGHT TO AUSTRALIA IN 1839, IT SPREAD TO COVER OVER 60 MILLION ACRES...

A CACTUS-FEEDING MOTH FROM AMERICA FINALLY BROUGHT IT UNDER CONTROL!

POLYVINYL CHLORIDE GLOVES, WORN ON MECHANICAL HANDS BY AMPUTEES, DUPLICATE THE MARKINGS, LINES AND CONTOURS OF A NORMAL HAND...

SO LIFELIKE THEY HAVE THE PROPER REFLECTANCY OF LIGHT-- EVEN NATURAL HAIRS OR NYLON THREADS ARE ADDED...

-Army Prosthetics Research Lab, Walter Reed Medical Center-

CREASED TROUSERS WERE UNFASHIONABLE UNTIL THE CLOSE OF THE 19TH CENTURY... CREASES WERE A MARK OF READY-MADE CLOTHES THAT HAD LAIN ON THE SHELF...

BLADE OF MANY USES... THE MACHETE IS A KNIFE, AXE, SCYTHE, SCALPEL, SWORD AND WHEN NECESSARY IT CAN BE USED AS A RAZOR!
